Welcome to SUSTA's 50% CostShare

Dear U.S. Exporter,

Thank you for your interest in the Southern United States Trade Association's (SUSTA) 50% CostShare program. We look forward to helping you promote your products in the global marketplace.

SUSTA is a non-profit trade association aimed at increasing the export of U.S. food and agriculture products. SUSTA works closely with each State Department of Agriculture in the south to enhance the economic well-being of the region.

Through the Market Access Program (MAP) 50% CostShare, SUSTA can reimburse up to 50% of eligible international marketing expenses aimed at increasing your exports.

The marketing assistance that we provide you through 50% CostShare is made possible through funding from the United States Department of Agriculture's (USDA) Foreign Agricultural Service (FAS). The goal of increasing food and agriculture exports is to ensure that the U.S. exports more than we import, thus creating jobs and bolstering our economy.

The following manual is an extremely important document that will help you maximize your participation with SUSTA. Please read it carefully so that you understand what marketing activities we can reimburse and what is required to receive the reimbursements. Because of the nature and source of our funding, we must collect specific documents from you in order to reimburse your expenses.

Keep in mind that although this manual is thorough, it is a guide and is not inclusive of everything.

Our CostShare staff is on hand to assist you in the application and expense claim processes. Therefore, we strongly encourage you to contact staff with your questions.

Best of luck in your exporting efforts.

About SUSTA

For over 50 years, the Southern U.S. Trade Association (SUSTA) has offered programs and services to assist exporters of food and agricultural products. **SUSTA's Market Access Program is provided by the USDA's Foreign Agricultural Service (FAS).** Our organization promotes U.S. food and agricultural products through two programs:

50% CostShare

Get reimbursed 50% of eligible expenses tied to international promotions. This manual explains the program from the application through the expense claims process.

BENEFITS OF PARTICIPATION:

50% reimbursement of expenses that promote your brand(s) to:

- Foreign buyers and distributors
- Foreign consumers
- Foreign press

Global Events

SUSTA sponsors about 40 events per year at which companies can meet foreign buyers. Exhibit in the SUSTA pavilion at trade shows around the world or meet buyers at our trade missions. All events:

www.susta.org/events

BENEFITS OF PARTICIPATION:

- Exhibition fees often reduced
- Events managed start to finish so you focus on making sales
- Interpreters and chefs provided as needed
- Foreign industry experts “match make” you with pre-vetted buyers

These programs can be used separately or together. You can, for instance, exhibit in the SUSTA pavilion at a foreign trade show through Global Events, and through 50% CostShare receive 50% reimbursement for: the participation fee, travel for up to two employees/representatives to the event, promotional giveaway items to be handed out at the event, translated point of sale materials and the freight for shipping samples and marketing materials to the event.

In your MySUSTA account, indicate in which programs (or both) you are interested. Your company will be reviewed separately by 50% CostShare and Global Events.

Questions about 50% CostShare? Please email costshare@susta.org.

Questions about Global Events? Please email events@susta.org.

Section 1: Program Eligibility

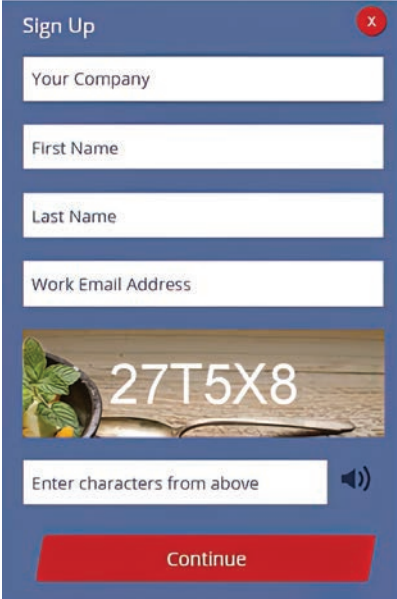

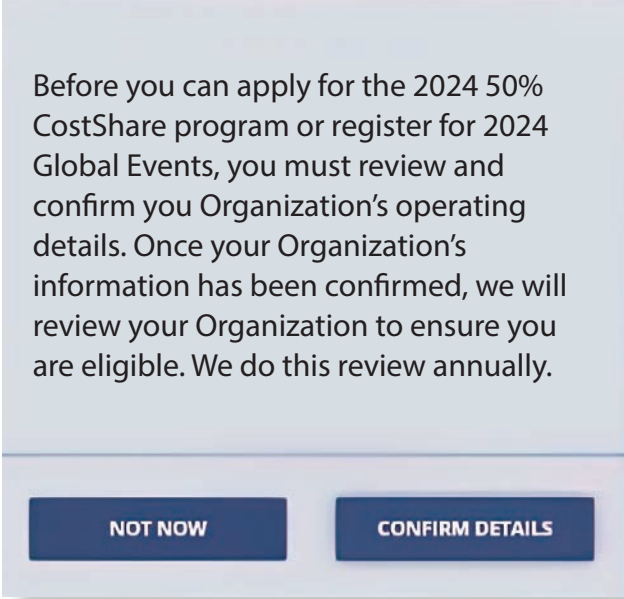

Find out if your company and products are eligible for 50% reimbursement through CostShare. Included in this section are the nuts and bolts of the program. Read on and find out these essential details.

Create or Re-Certify MySUSTA Account

To determine if you are eligible to apply for the 2024 CostShare program, you must first create a MySUSTA account. If you already have a MySUSTA account, you must re-certify (on or after August 1, 2023) that the information is up-to-date and/or make any necessary changes.

Create MySUSTA Account	Or	Re-Certify MySUSTA Account
		

In addition to basic company information, this is what you will need to create your MySUSTA account:

- ☐ Primary North American Industrial Classification System (NAICS) Code and Description. The [U.S. Small Business Administration \(SBA\)](#) determines size standards by the primary NAICS Code
 - ☐ [Dun and Bradstreet](#) (D&B) Data Universal Numbering System (DUNS) 9-digit number. DUNS numbers and reports are required for all companies requesting government funding
 - ☐ Total Actual Sales (previous year)
 - ☐ At least one six-digit harmonized System (HS) Code to classify your products
- HS Codes are a standardized numerical method of classifying traded products used by customs authorities around the world to identify products when assessing duties and taxes and for gathering statistics. The HS Code assigns specific six-digit codes for varying classifications and commodities. The United States uses a 10-digit code to classify products for export, known as a Schedule B number, with the first six digits being the HS number. There is a Schedule B number for every physical product, from paperclips to airplanes. SUSTA assigns incoming trade leads for specific products based on the HS Code(s) you enter.

Create or Re-Certify MySUSTA Account

When you create or re-certify your account, make sure to select you are interested in 50% CostShare.

This will prompt our CostShare team to review your account for eligibility. SUSTA's Marketing Coordinator will reach out to new participants to schedule a consultation; this is mandatory to move forward with the application.

Once your account is marked eligible for CostShare, you have access to the application.

SUSTA Programs and Services

Program Eligibility: Your Company

To qualify for 50% CostShare, your company needs to meet each of the following criteria:

1. Is your company headquartered in the SUSTA region?

A company's headquarters is defined as the physical location of the business' main management/operations. The SUSTA region includes Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Puerto Rico, South Carolina, Tennessee, Texas, Virginia and West Virginia.

If your company is headquartered outside of the SUSTA region, you may apply through one of our sister organizations, known as the State Regional Trade Groups (SRTG).

Program Eligibility: Your Company

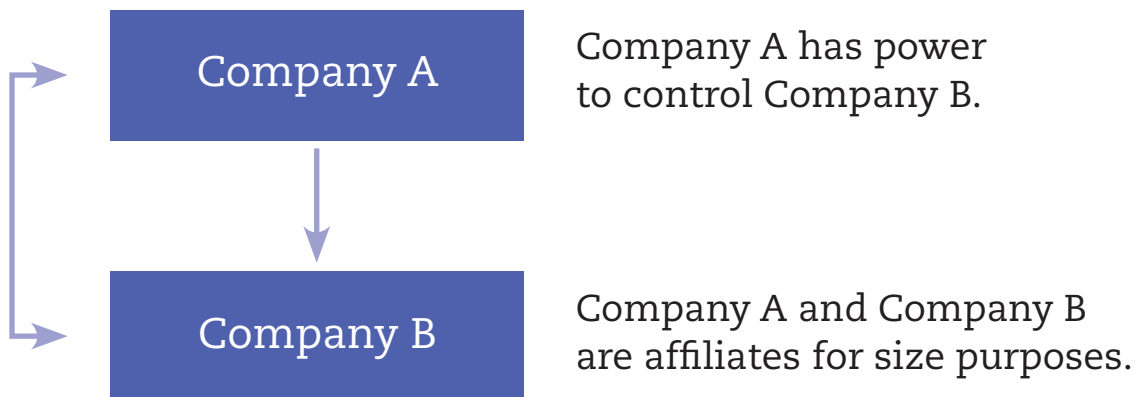

2. Are you a “small” company?

A company must be considered “small” by the U.S. Small Business Administration (SBA) to participate in the program. SBA determines the size standards by a company’s primary industry using the North American Industry Classification System (NAICS). The size standards are for the most part expressed in either millions of dollars (NAICS with “\$” under column for Size standards in millions of dollars) or number of employees (NAICS without the “\$” under column for Size standards in number of employees). A size standard is the largest that a concern can be and still qualify as a small business for Federal Government programs. For the most part, size standards are the average annual receipts or the average employment of a business.

SBA’s Common terms

There are some common terms you should be familiar with to help you ensure that a business is classified correctly as small.

- **Affiliates:** You must include the employees or receipts of all affiliated when determining the size of a business. Affiliation with another business is based on the power to control, whether exercised or not, or whether a **third party** controls or has the power to control multiple businesses. The power to control exists when an external party has 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties.

Program Eligibility: Your Company

- **Annual receipts:** This is the “total income” (or “gross income”) plus the “cost of goods sold.” These numbers can normally be found on the business’ IRS tax return forms. Receipts are averaged over a business’ latest three complete fiscal years to determine the average annual receipts. If a business hasn’t been in business for three years, multiply its average weekly revenue by 52 to determine its average annual receipts.
- **Employee calculation:** This is the average number of people employed for each pay period over the business’ latest 12 calendar months. Any person on the payroll must be included as one employee regardless of hours worked or temporary status. The number of employees of a concern in business less than 12 months is the average for each pay period that it has been in business.

An agricultural farm producer cooperative is exempt from the size standards.

For more information on size standards, please visit SBA’s website:

www.sba.gov/sites/default/files/files/Size_Standards_Table.pdf

3. Is your company a U.S. business entity?

Company must be registered and active/in good standing/in compliance with the Secretary of State. The business entity needs to have a physical location within the United States.

SUSTA reserves the right to verify if a company has a physical business location. If we are unable to verify the business location, SUSTA may not be able to assist.

4. Is SUSTA the right Market Access Program (MAP) cooperator for your company?

Other MAP cooperators have a 50% reimbursement program to support specific agricultural commodities. When funding assistance is available for your products through another MAP cooperator, you must apply for their 50% reimbursement program first (see below for a list). If your company promotes multiple product lines and only a few products are covered by another MAP cooperator, you may be able to participate in SUSTA’s 50% CostShare (example: chocolate and snack chips). Call us for more information if your company has any questions.

- Almond Board of California/Blue Diamond Growers
- American Pistachio Growers/Cal-Pure Produce
- California Prune Board
- Cranberry Marketing Committee
- National Confectioners Association
- Raisin Administrative Committee
- Sunkist Growers
- U.S. Livestock Genetics Export
- U.S. Meat Export Federation
- Welch’s Foods/National Grape Growers Cooperative

Program Eligibility: Your Company

5. Do you have adequate resources and product supply for export market development?

Company must provide adequate management and financial resources for export market development. Companies must provide adequate product quantities necessary to ensure continuous supplies to the markets for which funding is requested.

6. Do you have sufficient gross sales?

Company must have at least \$100,000 in actual gross sales during the previous year. If you do not meet this threshold but meet all other requirements, contact Deneen Wiltz, CostShare Director, deneen@susta.org.

If you answered “no” to any of the company eligibility questions, your company is not eligible for 50% CostShare. If you have answered “yes” to all questions so far, please continue to part two of program eligibility.

If you have any questions, please contact SUSTA directly.

Program Eligibility: Your Products

This section will help you determine if your company's products are eligible. To qualify for 50% CostShare, you will need to answer yes to the following questions about your company's product(s):

1. Are your ingredients from the United States?

(Please note this means U.S. grown, not processed or manufactured.)

Products or product ingredients must be at least 50% U.S. agricultural content by weight, excluding water & packaging. This means the products need to be farmed, fished, forested, grown or raised in the U.S.

Eligible products include, but are not limited to, the following:

- Value-added food
- All-natural personal care (health & beauty) products
- All-natural vitamins & supplements
- Beverages (including alcohol)
- Feed
- Hemp*
- Hides & skins
- Horticulture (nursery products, mulch, wood chips)
- Ingredients
- Pet food & pet care
- Produce & nuts
- Seafood & processed meat
- Wood products
- Other agriculture products**

* For hemp products, please refer to the FAS Program Notice [here](#). Any hemp, hemp products, and products containing hemp ingredients promoted through the 50% CostShare program must comply with local, state, federal, or international country laws/regulations to conduct promotional activities and seek reimbursement.

** If your product does not fall into one of the categories above but meets the 50% U.S. agricultural content requirement, you may still be eligible. Please Note: Ingredients grown or sourced in a foreign country are not U.S. agriculture even if they are purchased from a U.S. company. Minerals (example: salt) and/or chemicals are not considered agricultural ingredients.

Ineligible:

- ✗ Products containing CBD
- ✗ Sexual enhancement products, products of a sexual nature, and products that are deemed offensive

If you are unsure if your products qualify, please contact us.

Program Eligibility: Your Products

To determine if your product(s) meet the requirement, follow the below steps. Place your product on a scale. **Deduct the weight of any added water and the packaging.** At least 50% of the remaining weight must be composed of U.S. agriculture content. Minerals and chemicals are not considered agricultural ingredients.

To calculate the U.S. content of each product, please follow the process and reference below:

Step 1: Identify each ingredient.

Step 2: Calculate the weight of each product ingredient as a percentage of total product weight.

Step 3: For each ingredient, determine the percentage sourced from within the United States.

Step 4: Multiply the two percentages to determine the U.S. content level for each ingredient.

Step 5: Total these percentages to determine the U.S. content level for the total product.

This percentage must be at least 50% to be eligible.

Product: Cookies				
Ingredients	Step 1: Ingredient as percent of total weight	Step 2: Percent of ingredient sourced in U.S.	Step 3: MULTIPLY Step 1 column by Step 2 column	Step 4: TOTAL Step 3 column for U.S. content
Flour	70%	80%	56%	
Sugar	20%	0%	0%	
Eggs	8%	100%	8%	
Spices	2%	0%	0%	
Totals	100%		64%	

Program Eligibility: Your Products

2. Do your products have an eligible U.S. origin statement?

All product packaging and/or labels must have an eligible U.S. origin statement indicating that the products are produced, made or grown in the USA, America or the name of the state spelled out in its entirety; it cannot be abbreviated.*

From the USDA-FAS MAP regulations:

The U.S. origin identification must be clearly displayed in a way that is easily observed as identifying the origin of the product; and that such origin identification shall conform, to the extent possible, to the U.S. standard of 1/6 inch (.42 centimeters) in height based on the lower case letter “o.” If you have to take out a magnifying glass to read it, it is too small!

Eligible U.S. Origin Statement Examples	
Any combination of the following: Produced in, Product of, Grown in, Made in, Handcrafted in, Distilled in, Brewed in, Raised in, Born in USA, America or name of state spelled out	✓
These state logos are approved by USDA:      	✓
Ineligible U.S. Origin Statement Examples	
Seals with state name or U.S. agency not approved as eligible origin statement    	✗
Company address line that includes State name and/or USA	✗
Product that includes “U.S.,” “America,” or the state name as part of the brand (i.e. “Texas Style Chili”, “Bob’s American Pizza”, “U.S. Apples”)	✗
“Distributed by”, “Bottled by”, “Manufactured in”, “Packed in”	✗
“Handcrafted by”	✗
“Product of NC”, “Grown in TN”, “Made in VA”*	✗
Only an American flag (not accompanied by an eligible origin statement)	✗

*Any state or territory of the United States of America must be spelled out in its entirety, or other U.S. regional designation if approved in advance by FAS. Contact the CostShare Director if you have questions. State abbreviations are not accepted because a U.S. state abbreviation can often be mistaken as a foreign country (i.e. CA can be interpreted as Canada).

Note: Companies are granted exemption from the U.S. origin labeling requirement for promotional activities conducted in the following countries: Algeria, Bahrain, Egypt, Jordan, Kuwait, Lebanon, Libya, Morocco, Oman, Qatar, Saudi Arabia, Tunisia, United States, and Yemen.

Program Eligibility: Your Products

4. Does your company promote a branded product?

Product packaging and/or labels must promote a brand and/or private label.

Your company either:

- Owns the brand

-or-

- Does not own the brand but has permission from the brand owner to request 50% CostShare funds to promote the specified **brand** product(s) or packs or manufactures for **private label** product(s) in the specified country market(s). The applicant company and the brand owner must sign a Brand Owner Permission form, which is part of the application. The Brand Owner Permission form is used only for SUSTA's CostShare Program.

If you answered “no” to any of the product eligibility questions, your company is not eligible for 50% CostShare. If you have answered “yes” to all eligibility questions above, your company is ready to apply for 50% CostShare! Please continue reading the rest of this manual.

Program Calendar: 2024

50% CostShare follows the same dates each year. Below are key timelines that every 50% CostShare participant should note.

August 1, 2023	50% CostShare application opens for 2024 Must create or re-certify MySUSTA account details first.
Application Approval Date - December 31, 2024	50% CostShare Year Participants conduct eligible activities and submit claims within 60 days* after marketing activity ends.
February 28, 2025	Last day to submit year-end (December) claims for the 2024 program.
April 1, 2025	2024 50% CostShare Survey due date. If a company fails to submit their survey, reimbursements, future allocations and contracts will be frozen until it is complete.

* Expense claims not received within the 60 days will be ineligible.
Please contact CostShare staff with questions.

Allocation and Reimbursement Amounts

Maximum allocation amounts are determined by your exporting experience and length of time participating in 50% CostShare.

The minimum funding request per year is \$2,500. For example:

- Companies must spend \$5,000 in promotional activities to be reimbursed \$2,500 (50%) by SUSTA.

- Puerto Rico
- U.S. Virgin Islands

Note: Companies headquartered in U.S. territories can apply for SUSTA's programs.

Section 2: **How to Apply**

Learn how to apply for 50% CostShare and how to amend your approved application.

Apply Now for 50% CostShare

The 2024 50% CostShare application is available online starting August 1, 2023. Companies must apply annually and in advance of any promotional activities for which you will seek reimbursement. SUSTA cannot reimburse companies for promotional activities conducted prior to their application approval date. Funding is first come, first served.

Sample application is in Appendix

In the application, you will share the following information:

☐ **International Marketing Plans**

Must be completed for each country in which you are requesting 50% CostShare reimbursements.

For example, if you plan to exhibit at FoodEx Japan, you would create a Japan marketing plan. In it, you would select from a list of eligible promotional activities and let SUSTA know the total amount you plan on spending per promotional activity in Japan. Your marketing plan should reflect your **definite plans**, not a guess at what you may or may not do. If you are not doing an activity in that country, leave both fields blank.

Questions?

Call (504) 568-5986 today and ask to speak with SUSTA's CostShare Director.

All companies will be cross checked with the System for Award Management (SAM) online database to ensure applicants can receive federal funding. SUSTA reserves the right to independently verify the accuracy of all information provided when companies apply for 50% CostShare.

Apply Now for 50% CostShare

Once SUSTA receives your completed application and supporting documentation, we can begin the review process. Documentation is reviewed on a first come, first served basis. The application will not be reviewed until all required documentation is received.

Important Notes:

- Remember to submit your application prior to conducting your promotional activities. Do not conduct your promotional activities and then later submit the application.
- Complete the application for country market(s) where the promotional activity/activities will take place.

Your approval date is determined by the month in which your application is deemed complete (all required documentation is on file and meets the program requirements). Your approval date is important because expense claim requests cannot be submitted for expenses made prior to your approval date.

If you apply and are approved between August 1 and December 31, 2023	If you apply and are approved after December 31, 2023
Your approval date will be January 1, 2024, with a complete application.	Your approval date will be the first of the month in which your application is deemed complete.

All promotional activities must occur within the program year (January 2024 - December 2024).

Expenses paid before your approval date are not reimbursable, with the exception of the following:

- Trade Show Booth Deposits
- Airfare and Hotel Bookings

Trade show booth deposits and advance payments are reimbursable, provided the date of the trade show (rather than the date of the invoice or payment) falls within the approved program year. Expenses are not processed for review until after the promotional activity has taken place. The rule above applies to all initial requests, additional requests, and amended requests.

Application Approval

Application Approval

The CostShare Director will email an allocation notice. The allocation notice will show:

- Approval date
- Approved country market(s)
- Approved budget
- Approved products

You will need to carefully review information to make certain information is accurate. If information is inaccurate, contact the CostShare Director. Please follow the instructions on the allocation notice.

Contract

Only the authorized signer will be able to sign the contract. The authorized signer must be someone who can bind a contract with SUSTA's 50% CostShare program.

The Authorized Signer will log into their MySUSTA account and click '50% CostShare Application'. One of the following can be done:

Print 2 contracts, sign (**wet signature is required, no copies**) and date both contracts, send both contracts to SUSTA by courier service by way of tracking. Contracts will be signed by the executive director. One of the contracts will remain on SUSTA's files and the other will be returned to your company.

OR

Sign contract electronically by clicking 'Online Contract' and completing these two steps:

- Click 'Send Signer Verification Email'; they will then receive an email and must click the link in that email to verify their identity.
- Click 'Sign Contract Online'; they can then sign the contract electronically

6% Administrative Fee (Non-Refundable)

Approved applicants are charged a non-refundable administrative fee equal to 6% of the approved funding allocation. Fee can be paid online with credit card (small credit card processing fee applies) or by check, money order or cashier's check. (Example: A company that plans on spending \$20,000 in eligible promotions and is approved for \$10,000 in reimbursement must first pay a \$600 administrative fee).

Fully Contracted

When the contract is signed and the 6% administrative fee has been paid, you are an active participant in the program.

Welcome to 50% CostShare!

Amending Your Program Contract

Amendments

We understand that your company may need to make changes to your plans after signing the program contract and paying the administrative fee. Changes to existing program contracts are accomplished through amendments.

Amendments can be made anytime during the program year to:

- Request additional funding in a previously approved country market or in a new country
 - You will be invoiced the 6% administrative fee for additional funds. The fee is required for approval.
- Move already approved funds from one country market to another
- Add additional products to be promoted through CostShare

How to Submit an Amendment

Log into your MySUSTA Account. Click the '50% CostShare' tile then click either 'Product Info: Amendment' or 'Marketing Plans: Amendment'.

To request more funding in an existing marketing plan:

1. Select 'Marketing Plans: Amendment'.
2. Scroll down to the marketing plan that you want to change and click 'Amend'.
3. A warning pop-up will ask if you are sure you want to amend the marketing plan; select 'Yes'. You have now re-opened your approved marketing plan.
To change the budget, select 'Next' and move to the second page.
4. Your existing budget is available to edit; add to or subtract from that budget, making sure that the resulting budget reflects your entire budget for that country marketing plan (rather than typing in the amount you are adding or subtracting).
Click 'Next'. Then click 'Save International (or Domestic) Marketing Plan'.
5. Then click 'Submit'.

The CostShare Director will review. You will be invoiced the 6% administrative fee on the additional funds.

To amend your application to add a new marketing plan:

Amending Your Program Contract

1. Select 'Add International (or Domestic) Marketing Plan' and follow the prompts to add a new marketing plan and request funds.
2. Create the new marketing plan and click 'Save'; then click 'Submit'.

The CostShare Director will review. You will be invoiced the 6% administrative fee on the additional funds.

To move funds from one market to another:

Follow the above steps to amend the approved marketing plan you want to reduce; subtract from the budget so that the amended budget reflects your entire budget for that country marketing plan, click 'Next'. Then click 'Save International (or Domestic) Marketing Plan'; then click 'Submit'. Next, amend the country marketing plan (or create a new marketing plan) you would like to increase. Click 'Save'; then click 'Submit'. Because you are not requesting any additional funds, you will not receive an invoice for transferring funds.

To add products:

1. Select 'Product Info: Amendment'
2. Complete the product information and select 'Save Product'.
3. Don't forget to click 'Submit' for each new product
4. Send in packaging and/or labels.

SUSTA will review your packaging/labels every 5 years. You must submit packaging/labels for each product you will promote as listed in your application; each size and variety of a product is considered its own item. The packaging/labels must have brand(s) and an eligible U.S. origin statement.

Section 3:

End-of-Year Survey

The annual End-of-Year CostShare survey is SUSTA's only means of evaluating this program. Funding for the program relies on participants completing this annual survey, so please complete it on time.

End-of-Year Survey

The 2024 End-Of-Year CostShare Survey is available starting January 1, 2025 and is **due by April 1, 2025**. All companies contracted in CostShare in 2024 signed an agreement to complete this mandatory survey. If a company fails to submit the survey, reimbursements, future allocations and contracts will be frozen until it is complete. This is our only means of evaluating the CostShare program.

How to find your survey:

You can access your survey by logging into your MySUSTA account and selecting 'Surveys'.

Once in Surveys, you will see the option to complete your 2024 50% CostShare Survey:

Collect this key info before completing your survey:

This 2024 CostShare participation information is the information that the USDA/FAS requires us to report.

1. Did actual export sales increase by at least 20% because of your participation?
If yes, by how much?
2. Did you make a first time sale to a new country? If yes, what country(ies)?
Was this a first-time ever export sale?

End-of-Year Survey

3. As a direct result of participating in SUSTA's 2024 50% CostShare, please answer the following by each country in your CostShare application:
(Note: If you exhibited at a trade show in Germany and received 50% reimbursement of those expenses, but you made sales to France as a result, the sales would be counted in your German marketing plan)
- Actual export sales (annual value of all the sales made as a result of participating in 50% Cost Share)
 - Projected export sales in the next 12 months (what you project to sell the following year)
 - How many international buyer connections were made (Example: count business cards collected at a trade show)
 - How many new distributorships were established (which of those business cards resulted or will result in a deal)
 - How many distributorships were maintained (how many existing clients did you meet with or support using CostShare funds)
 - How many **new** products were introduced
7. How many employees were added because of increased exports attributed to CostShare?
8. Company Contributions
- Estimate your company's total export marketing expenses spent that were NOT reimbursed by the program. This could include any of the following: receptions, prizes, administrative costs, marketing research etc.
 - Estimate your company's total staff hours spent on international marketing in 2024. Example, if you have one staff person dedicated to international sales, you could calculate their hours (40 hours a week x 50 work weeks = 2,000 hours)
 - Estimate your company's total number of staff hours spent on planning, participating and following up on CostShare? This should include all time spent creating your marketing plans, completing the application, doing your international promotions (if two people traveled to a trade show, make sure to calculate both of their time, including travel time), collecting required documents for reimbursement and submitting claims.

Make sure you click Submit!

Clicking Save allows you to come back and edit your survey; it does not finalize the process.

Section 4: Expense Claims

SUSTA requires specific documentation to process your 50% CostShare expense claims. If the following is unclear, call SUSTA prior to incurring expenses.

Expense Claims: The Claims Process

Once your application is approved and you are contracted in 50% CostShare, the next step is conducting your international marketing activities, after which you will submit your expense claims. We'd like to walk you through how the expense claims process works after an eligible activity is complete with these easy steps.

Note: New companies and new contacts are required to have a consultation with a CostShare Expense Claim Coordinator.

It is important to note your company has **60 days** to submit a complete claim after an eligible promotional activity has ended. If you wait longer than 60 days, SUSTA cannot guarantee the availability of funds for your reimbursement.

Expense Claims: Claim Form

All expense claims must have a claim form generated through your MySUSTA account.

Generate a Claim Form

Log into your MySUSTA account, select '50% CostShare', then select 'Expense Claims'

Country Market v Claim Contact v Authorized Signer v **Create**

If there are no contacts in your dropdown menus for 'Claim Contact' or 'Authorized Signer', you or the primary account holder for your company will need to go into your company's contacts and designate at least one person for each.

Complete Claim Forms:

- Page 1: General expense information, the expense total, the reimbursement total and your signature. Calculate the total expenditures and the reimbursement due (50%) of total.
- Page 2: Each line item you list is based on the vendor's invoice. If you have several vendors for a claim, then each invoice would be listed as a separate line item. Occasionally, a vendor might invoice in installments (i.e., trade show space), however only the invoiced total amount, not each invoiced installment amount, is to be listed. For travel expenses, enter one line item per traveler (sum of their airfare, lodging and M&IE from the Travel Expense Worksheet).

A sample claim form can be found in the Appendix.

Expense Claims: Required Documentation

Each individual expense listed on your claim form requires:

1. Invoice
2. Proof of Payment
3. Proof of Activity

1. Invoice: All invoices must show details of expense; invoices that show no descriptions of what is requested for 50% reimbursement are not acceptable. SUSTA must be able to determine specifically what is requested for reimbursement. Invoices must include:

- English translation if in a foreign language
- Exchange rate for U.S. dollars if in a foreign currency
- Date of invoice/contract
- Vendor information: contact information, address, phone number, and website
- Approved participant company information: contact information, address, and phone number
- Date(s) of promotional activity – start and end dates
- Specific services rendered
- Itemized charges for services

2. Proof of Payment: If payment is in a foreign currency, the exchange rate is required to determine U.S.D. The conversion rate is based on the date the participant paid, rather than the invoice date. If no exchange rate has been provided, SUSTA will convert using www.oanda.com. Payment can be any of the following:

- **Cash receipt** only acceptable for payments of \$1,000 or less. Must be marked “paid” and show a zero balance
- **Check** – front copy of check accompanied by bank statement showing check cleared the account
- **Credit card statement** (signature slips are not accepted). Must see the credit card monthly statement (first page and transaction page) that shows: account owner’s name, last 4 digits of the account number, and the dates and charges to vendor(s). The proof of payment to the credit card company is not required. **Credit card processing fees are not eligible for reimbursement.**
- **Wire transfer** (the request confirmation alone is not sufficient): must show documentation came from the bank which shows the originator, beneficiary, date, amount, and bank of originator and beneficiary accompanied by bank statement showing funds were deducted from account
- **Credit memo** - If you are paying an overseas agent in products, **all** of the following must be provided:
 - Invoice for products and separate corresponding credit memo for cost of the promotional activity **Or** invoice for products with the credit memo applied to that invoice for the cost of the promotional activity
 - Freight/Shipping invoice indicating products were shipped
 - Proof of payment for freight

Contact CostShare staff if you do not understand credit memos as form of payment.

Note: When sending sensitive financial documents, it is recommended that you redact account numbers (except the last four digits) and line items irrelevant to the claim. Please do not send originals—

Expense Claims: Required Documentation

only photocopies.

3. Proof of Activity: All eligible promotional activities need to show proof that the activity took place. Proof of activity varies depending on the eligible promotional activity; the required documentation for each different eligible promotional activity is listed in Sections 5 & 6. Keep in mind all promotional materials must have the brand and the eligible U.S. origin statement clearly imprinted.

Important Notes:

- Country markets that are not approved will be ineligible for reimbursements or require an amendment.
- If other parties are involved, the paper trail that traces back to your company is required.
- We are unable to assist for expenses paid to the vendor and/or foreign third party (FTP) if we determine that a relationship exists between your company and the vendor and/or FTP.
- SUSTA reserves the right to request additional documentation for all expense claim submissions at our discretion. SUSTA reserves the right to contact vendors or foreign third parties to verify transactions and payments. If we are unable to verify information or participants are unable to assist us in the verification, we will be unable to process the expenses.

Proof of activity materials are listed after each eligible activity description starting in Section 5 & 6.

International Travel Expenses:

If submitting expenses for travel related to exhibiting at international trade shows and/or participating in pre-approved trade missions (outbound), submit Claim Forms and supporting documentation:

1st.) [Foreign Agricultural Service \(FAS\) Pre-Travel Notification Form](#). Provide email or fax confirmation showing the FAS Agricultural Trade Office (ATO) was notified at least two weeks prior to travels.

2nd.) [Trip Report](#) and attached list of contacts made

3rd.) [Travel Expense Worksheet](#)

4th.) Supporting documentation:

- Airline itinerary/invoice
- Passenger receipt or E-ticket receipt
- Boarding passes or frequent flier statement
- Proof of payment for airfare
- Itemized hotel bill
- Proof of payment for hotel

More information on travel is on pages 62-68.

Travel expense claim checklist is located in the Appendix.

Meal and Incidental Expenses (M&IE)

Do not submit itemized receipts. M&IE is based on the [per diem allowance](#) per country in the city where you are staying.

Expense Claims: Organization and Submission

It is our goal to process your expense claims as quickly as possible. We need your help to do that. Please submit your expense claims in an orderly fashion and with all required documentation. If you have any questions, please contact us before conducting the promotional activity so that you know what documents will be needed to process your claim.

Requests are processed in the order received. Generally, if we do not require any additional information or documentation from you, we strive to reimburse approved expenses as fast as we can. This takes into account the following:

- Workload of expenses in our office
- Time it takes SUSTA to request and receive your company's funding from the USDA Foreign Agricultural Service (FAS)

If additional information is needed to process your request, you will be notified as soon as possible. In this instance, the time it takes us to reimburse you is solely dependent upon your ability to provide us with additional information/documentation that we require. The quicker you submit the additional information, the quicker we will be able to further process the expense. You must submit additional information within 14 days. If we require additional information to process your reimbursement request, it may take longer than 14 days to process your request.

Note: If more parties are involved in a promotional activity, the entire paper trail must be on file. Contact CostShare staff if there are questions.

Expense claims can be sent in electronically to csexpense@susta.org. Please send them in an orderly fashion as a pdf file and make certain the required documentation (2-page expense claim forms, invoices, proofs of payments, and proofs of activity) is clearly visible.

If we are unable to clearly see the information, we will request you to send the expense claim by courier service by way of tracking to SUSTA at:

Southern U.S. Trade Association
50% CostShare
701 Poydras Street, Suite 3845
New Orleans, Louisiana 70139

Make sure to track your documents; SUSTA is not responsible for documents lost in the mail.

Helpful tips for a complete claim:

- Need photos for an activity? Take them on the first day of the event and email the files to your company. This will give you a second chance to take photos again if they are blurry.
- File materials in a folder to keep track of all-things related to your expense claim.
- Respond to SUSTA's requests quickly.
- Read this manual in its entirety and collect the materials you will need for reimbursement.
- **Contact us for questions after the manual has been read! We're here to help.**

- Expenses were for non-reimbursable promotional activities
- Lack of sufficient documentation (paper trail) not present: invoice, proof of activity, and/or proof of payment
- The eligible promotional activity occurred before the application approval date or after the program year ended
- Documentation is in a foreign language and the English translation was not provided
- Travel expenses
 - ATO was not notified prior to travels and/or notification is not on file to show proof
 - No boarding pass, frequent flier mileage statement or passenger receipt
 - Airline quote was not provided for eligible dates
 - Traveler flew on non U.S. or non E.U. carrier
 - Hotel reservations were made through a third party (i.e., hotels.com, AirBnB, Expedia) and proof of stay was not provided
- Photographs are too small or poor quality. Full page photo required
- Documentation is not legible
- Company purchased equipment, rather than renting equipment
- Expenses included distributor fees and other expenses
- Custom booth displays constructed of permanent materials having a useful life of more than one year (examples: metal, Plexiglas, wood, etc.)
- Funding is no longer available

Section 5:

Promotional Activities: International

A one-stop shop for each eligible international activity. Read on to see all reimbursable expenses and the materials to turn in at time of claims. Let's begin!

Do some of your promotional activities promote products that do not meet the requirement of being made from at least 50% U.S.-grown ingredients?

- If at least half of your promoted products meet the 50% U.S.-grown ingredient requirement, then we will not pro-rate your expense claims.
- If half or more of your promoted products do not meet the 50% U.S.-grown ingredient requirement, then we will pro-rate your expense claims.

Eligible & Ineligible Expenses: International

This section outlines the international promotional activities that are eligible for reimbursement through 50% CostShare. Listed below are important requirements and reminders. Individual activities and materials may have additional requirements. Promotions and/or products that are deemed offensive are ineligible.

Pre-Approved Outbound Trade Missions

International trade missions are an effective, low-cost way to meet face-to-face with qualified foreign buyers. The only trade missions eligible for reimbursement are those pre-approved by the USDA's Foreign Agricultural Service, SUSTA's Global Events or another State Regional Trade Group (SRTG). All countries in which the trade mission takes place must be listed in your approved application.

Reminder: Approved brand(s) and eligible U.S. origin statement must be visible.

Trade Shows: International

International trade shows allow your company to promote products to thousands of qualified buyers in just a few days. Basic expenses associated with retail, trade and consumer exhibits and shows are eligible for reimbursement when your company displays and promotes CostShare approved products. International trade shows that take place virtually are also eligible.

There are many international trade shows eligible for 50% CostShare. As long as 30% or more of the exhibitors sell food and/or agricultural products, the international show may be eligible.

When exhibiting at a USDA-endorsed trade show, your company is required to exhibit within a USA Pavilion to receive reimbursement on eligible expenses. See Appendix for the list of USDA-endorsed international trade shows. If the show is not USDA endorsed and it has no USA pavilion, your company is free to exhibit anywhere on the show floor.

Interested in exhibiting outside of the USA Pavilion? You will need pre-approval by contacting SUSTA's CostShare Director directly (at least two months prior to the show). We can only consider requests submitted directly to the CostShare Director.

Contact us with any questions at (504) 568-5986 or costshare@susta.org.

Reminder: Approved Brand(s) and an eligible U.S. origin statement must be visible during the trade show.

Travel | International

You're putting in a lot of great effort to establish international markets. It's important to have a physical presence at trade activities and meet face-to-face with potential buyers and other key in-market contacts. Through 50% CostShare, SUSTA can reimburse limited international travel expenses for up to two company representatives only if they are traveling to:

- Exhibit at an international trade show listed in your approved application
- Participate in a Pre-approved Outbound Trade Mission listed in your approved application (What is a Pre-Approved Outbound Trade Mission? See page 50.)

In order to receive international travel reimbursement, your company needs to take the following steps:

1. Send Required Pre-Travel Notification

- Send the [Pre-Travel Notification Form](#) to the in-country FAS [Agricultural Trade Office](#) (ATO) at least 14 days prior to travel. Your sent Pre-Travel Notification must be verified.
- If you do not notify the ATO/Attaché prior to travels and we do not have documentation as proof of the notification, SUSTA will not be able to pay the expenses.

Documentation Required

- ☐ Pre-Travel Notification Form and copy of the fax confirmation
- OR
- ☐ Email sent to the ATO

2. Book airfare in compliance with the following. SUSTA will only reimburse airline tickets up to the price of coach economy class.

- Travelers must fly on a U.S. or EU member carrier when leaving and returning to the U.S. Please make certain that the carrier's country is part of the EU; not all European countries are members of the EU. **All British Airlines are ineligible carriers.**
- Travel outside of the U.S. may be on a foreign carrier (i.e. connections).

Fly Directly To and From Trade Show and/or Trade Mission Destination*

Additional stops in the itinerary must be for approved tradeshow and/or trade missions. If not, see directions below on providing a quote.

Note: A stop is a chosen destination, not a layover.

An Airfare Quote is required if you:

- Extend your trip beyond a reasonable time. As a rule of thumb, a reasonable time is two days before the official start of an international trade show or trade mission, all the days of the show or trade mission, with departure on the day after the show or trade mission ends.
- Fly a non-direct flight
- Fly other than full fare economy class. (Economy Plus, Economy Comfort and other upgraded seating)

Obtaining an Airfare Quote:

- Get a comparable quote from the same airline
- The quote must be obtained on the same day the airfare is booked
- Must be for coach economy class fare, to the same destination* and within eligible dates of travel
- Reimbursement will be based on the lesser of the two (actual ticket purchased compared to quote)

Important: Please contact CostShare staff for guidance on airfare quotes.

Eligible & Ineligible Expenses: International

3. Book Lodging

- Eligible lodging dates: two days before the official start of an international trade show or trade mission, all the days of the show or trade mission, with departure on the day after the show or trade mission ends. If you stay longer, you are responsible for the cost of any additional nights for lodging.
- Foreign Per Diem Rate: You will be reimbursed for no more than 50% of the U.S. government Foreign Per Diem Rate (listed <https://aoprals.state.gov>) or 50% of the actual rate paid per night, whichever is less.
- Lodging can never be reimbursed for more than the per diem rate per night, regardless of the cost actually paid.
- The per diem rate for the location of lodging, not the location of the trade show or trade mission is used to calculate the costs.

Foreign per diem rates can be found on the U.S. Department of State Website: If your destination city is not listed in the chart, please choose "Other" to determine the per diem rate.

The screenshot shows the U.S. Department of State website with the header "U.S. DEPARTMENT OF STATE" and "DIPLOMACY IN ACTION". The page is titled "Office of Allowances" and "Foreign Per Diem Rates by Location". A navigation menu on the left includes links for "Per Diem Rates", "Allowance Rates", "Standardized Regulations (DSSR)", and "General Information". The main content area features a dropdown menu for "Country:" with the option "*All Locations*" selected, and a "Go" button. A text box below the dropdown explains that users can use the dropdown to select a country and that clicking "Go" will display Per Diem data for all locations within the country selected.

Documentation Required

Hotel bill that shows:

- ☐ Hotel's name
- ☐ Occupant's name(s)
- ☐ Arrival/departure dates
- ☐ Room rate + taxes per night
- ☐ Total charges
- ☐ Proof of payment (see page 37)

Airbnb bill (or similar short term rental bill) that shows:

- ☐ Arrival/departure dates
- ☐ A folio/receipt from the hotel upon checkout indicating that your stay matches the reservation
- ☐ Proof of payment (see page 37)

If documentation is in a foreign language, the English translation is required.

Eligible & Ineligible Expenses: International

4. Calculate Meal & Incidental Expenses (M&IE)

- Eligible dates for M&IE begin up to two days before the official start of an international trade show or trade mission, all the days of the show or trade mission, with departure on the day after the show or trade mission ends. If you stay longer than the eligible dates, SUSTA cannot reimburse M&IE expenses for the additional days.
- Itemized receipts are not required for meals and incidental expenses; regardless of the actual costs of meals and incidentals, you are reimbursed based on the U.S. government Foreign Per Diem Rate for the city where you are staying.
- The M&IE per diem rate can be found at <http://aoprals.state.gov>.
- If the city in which you are staying overnight is not listed, please choose “Other” to determine the per diem rate.
- Travelers receive 75% of the federal per diem M&IE rate on the first and last dates of travel. See example below:

Example

Fruit Logistica Trade Show February 8-10, 2024
M&IE rate for Berlin: \$106

Calculate M&IE

February 6 (Arrive in Berlin)	$\$106.00 \times 75\% = \79.50
February 7	\$106.00
February 8	\$106.00
February 9	\$106.00
February 10	\$106.00
February 11 (Depart Berlin)	$\$106.00 \times 75\% = \79.50
Total	<u>\$583.00</u>
50% Reimbursement	<u><u>\$291.50</u></u>

Instructions on submitting travel expense claims can be found at the end of Section 3.

- ☐ The vaccination record and computer print screens/screenshots from the U.S. State Department website and/or the Travelers' Health Page of the Centers for Disease Control (CDC) website showing the advisory which recommends the inoculations

Proof of Activity

In order for SUSTA to reimburse a company for travel expenses, we have to have proof that you participated in the trade show or trade mission as listed in your application.

Documentation Required:

- ☐ Completed trip report form with list of contact made at the trade show and/or pre-approved trade mission
- ☐ Trade Show: Photo of booth at trade show and trade show catalogue showing your company listed as an exhibitor
- ☐ Trade Mission: Photo of company at trade mission and itinerary or agenda of trade mission

Section 6:

Promotional Activities: Domestic

Did you know foreign buyers also travel to some U.S. trade shows? Well, you're in luck! SUSTA is able to help offset costs for some shows where there is a large international presence. Interested in hosting a U.S. trade seminar? Read on!

Do some of your promotional activities promote products that do not meet the requirement of being made from at least 50% U.S.-grown ingredients?

- If at least half of your promoted products meet the 50% U.S.-grown ingredient requirement, then we will not pro-rate your expense claims.
- If half or more of your promoted products do not meet the 50% U.S.-grown ingredient requirement, then we will pro-rate your expense claims.

Eligible & Ineligible Expenses: Domestic

Pre-Approved Domestic Trade Shows

Domestic trade shows allow your company to promote your products to thousands of qualified international buyers right here in the United States. Your company can seek reimbursement for domestic trade shows only if the show is listed in the all-inclusive list below.

- **VERY IMPORTANT:** All promotional activities must promote the brand.
An eligible U.S. origin statement is not required for domestic trade shows.

If there is a USA Pavilion*, your company must exhibit within that pavilion to receive reimbursement. If there is not a USA pavilion, your company is free to exhibit anywhere on the show floor.

Interested in exhibiting outside of the USA Pavilion?

You will need pre-approval by contacting SUSTA's CostShare Director directly (at least two months prior to the show). We can only consider requests submitted directly to the CostShare Director. Contact us with any questions.

Travel expenses to domestic trade shows are **not** eligible for 50% reimbursement through CostShare.

2024 International Trade Shows with U.S. Pavilions

International trade shows are a popular 50% CostShare activity. You can be reimbursed for expenses at any international trade show when more than 30% of the exhibitors have food and agricultural products. However, by participating in USDA-endorsed shows that have a U.S. Pavilion, you gain access to additional benefits such as:

- Exhibitor lounge
- ATO/Embassy staff
- On-site assistance
- In-market briefings

When exhibiting at a USDA-endorsed trade show, your company is required to exhibit within a USA Pavilion to receive reimbursement on eligible expenses. See below for the list of USDA-endorsed international trade shows. If the show is not USDA endorsed and it has no USA pavilion, your company is free to exhibit anywhere on the show floor.

Interested in exhibiting outside of the USA Pavilion? You will need pre-approval by contacting SUSTA's CostShare Director directly (at least two months prior to the show). We can only consider requests submitted directly to the CostShare Director. Contact us with any questions at (504)568-5986 or costshare@susta.org.

Below is an exclusive list of USDA-endorsed international trade shows with a U.S. Pavilion. It is not an all-inclusive list of trade shows with U.S. Pavilions.

2024 Approved Domestic Trade Shows

The domestic trade shows listed here have been approved by USDA. They are the only domestic shows eligible for 50% CostShare reimbursement.

Participation in certain international trade shows in the United States has proven to be a successful export market development activity. These venues allow U.S. companies to showcase their products and meet buyers from all over the world here in the U.S. In order to receive reimbursement for USDA Approved Domestic Trade Shows, a 50% CostShare participant must follow the regulations on pages 73-75 of this manual. If there is a USA pavilion* at the show, the company must exhibit there to receive reimbursement.

Glossary of Terms

Agricultural Cooperative: A society or union of persons for the production and/or distribution of agricultural goods, which the profits are shared by all the contributing members.

CostShare Funds

This term refers to the amount of reimbursements received by the U.S. participating company.

Example: If a company submits a claim for \$2,000.00, the \$1,000.00 reimbursement the company receives is considered CostShare Funds.

CostShare Participant: Company that is contracted in CostShare.

CostShare Promotional Activity: An activity that involves the exclusive or predominant use of a single U.S. company name, or the logo or brand of a single U.S. company, or the brand of a U.S. agricultural cooperative, or any activity undertaken by a MAP Participant in 50% CostShare.

Foreign Third Party (FTP): Distributors, agents, brokers, and representatives in foreign markets where 50% CostShare funds are being used. Typically, the FTPs are conducting 50% CostShare eligible promotions on behalf of the U.S. participating company.

Foreign Third Party (FTP) Funds:

This is the portion of the expense that is paid by the FTP. For example, if FTP in Mexico pays for an advertisement in full, the U.S. Company must pay the FTP at least 50% of that expense. The portion they are not reimbursed by the U.S. Company is the FTP funds.

Global Events: SUSTA organizes approximately 40 events throughout the year during which eligible companies can meet qualified foreign buyers. Global Events and 50% CostShare are SUSTA's two core programs.

Incurred Expense

An expense is incurred on the date that the check, wire transfer, credit card, or other bank transaction occurs, not the date on which the goods or services are provided by the vendor. The only exception: tradeshow booth expenses are considered to be incurred when the show takes place, not when the payment is made.

Market Access Program (MAP): This is a federally funded program that provides financial assistance to U.S. exporters for the promotion of U.S. agricultural products in international markets. Participating Trade Associations and non-profit organizations representing producers and other sectors of agriculture are provided funds from a joint program under the USDA, Foreign Agricultural Service which is aimed at developing international markets.

Small Company: A company that meets the Small Business Administration's (SBA) definition of a small company. This is according to their North American Industry Classification System (NAICS) codes as published at 13CFR, part 121 (based on the average number of employees or average annual receipts, depending on the NAICS industry category).

State Regional Trade Groups (SRTGs): The four State Regional Groups (Food Export Association of the Midwest USA, Food Export USA Northeast, Southern United States Trade Association (SUSTA), Western United States Agricultural Trade Association (WUSATA) that assist companies with export promotions in the respective region.

USDA, Foreign Agricultural Service (FAS): The Foreign Agricultural Service of the United States Department of Agriculture (USDA) is the government agency that provides Market Access Program and Agricultural Trade Promotion funding to SUSTA.

Next Steps: Print & Complete Application Packet

You are not done!

Thank you for completing the online portion of your application. Please make sure to complete all items on the following checklist.

- ✓ **Application Packet with Original Signatures:**
Certification Statement - This document confirms that the information in your 50% CostShare application is true. **You can sign the Certification Statement electronically.** If you navigate back to your dashboard and click on 50% CostShare, click the tile that says 'Certification Statement - Unsigned'. Then follow the prompts to verify the Authorized Signer. If you wish to print this document, sign it and send it to SUSTA via courier, that is still an option. Brand Owner Permission (if applicable)
- ✓ **Pay Your Company's Non-Refundable \$250 Application Fee** (if you didn't already submit it online). The fee can be paid online, or a check can be sent.
- ✓ **Product Packaging and/or Labels**
SUSTA will review your packaging/labels every 5 years. You must submit packaging/labels for each product you will promote as listed in your application; each size and variety of a product is considered its own item. The packaging/labels must show brand(s) and an eligible U.S. origin statement.
- ✓ **6% Fee** Once your application has been reviewed and approved, you will be invoiced for 6% of the total amount you are requesting in reimbursement. Until this non-refundable fee is paid in full, you are not contracted in the program.

If mailing any items to SUSTA, please send by courier delivery where documentation can be tracked:

Terms and Conditions

Please read these terms and conditions carefully before you begin your MAP program year.

Payment

All payments for 50% CostShare are non-refundable. The \$250 application fee is due when an application is submitted for review. After approval of an application, the 6% administrative fee is due 30 days after receipt of the invoice and agreements.

Privacy

When applying for the Market Access Program (MAP), you will be asked to share personal information about your company and your participation in USDA MAP program. Proprietary information provided will be maintained as business confidential and will not be shared, unless you otherwise indicate.

You will be asked at the end of the MAP program year to provide an end of the year 50% CostShare survey. Any information provided in the survey is strictly confidential. SUSTA is required to share certain performance measures with USDA Foreign Agricultural Services (FAS) (i.e. projected sales, actual sales, number of distributors met, etc.) when administering the MAP program. SUSTA only shares aggregate information when providing performance measures to FAS. Individual company information is never shared without a company's written consent.

However, a company is contacted to share individual information through success stories to help SUSTA further promote and maintain MAP funding. SUSTA will always ask for your written consent to share any success stories.

Review

When participating in SUSTA's MAP 50% CostShare, SUSTA is authorized to contact any person listed as the president, officer, or company contact for the 50% CostShare application. We verify information listed in the application to assist with helping to approve the application. Questions are standard and usually always part of the review process or a requirement to participate in 50% CostShare. SUSTA's ability to assist a company with 50% CostShare is directly tied to the company wanting to share information needed to get approved.

When a company applies for MAP 50% CostShare, SUSTA is also authorized to contact any person or entity, including but not limited to foreign third parties, which the company has contracted with or has authorized to assist in some way with a claim submitted for 50% reimbursement requests. SUSTA's involvement in contacting any foreign third parties or anyone authorized by the MAP 50% CostShare participant to assist with a claim is to facilitate verifying information submitted by the MAP 50% CostShare participant in the claim. SUSTA follows the MAP regulations and SUSTA's policies to assist in getting the expense paid.

Terms and Conditions

Terms and Conditions (Continued)

SUSTA is also authorized to obtain information about your company, products, brands, subsidiary or affiliates, activities, services or goods provided when you apply for MAP 50% CostShare and/or submits claims. Participating companies must maintain copies of their records related to the 50% CostShare application and any expense claims submitted for a minimum of five (5) years. SUSTA's MAP 50% CostShare is a federally funded program. Therefore, SUSTA goes through an annual federal compliance review. Any claim is subject to be challenged during the annual federal compliance review and the participating company may be contacted by SUSTA, FAS, or the Commodity Credit Corporation (CCC) in regards to a claim submitted.

SUSTA may not approve every company that applies for 50% CostShare. Companies denied approval in SUSTA's 50% CostShare is not subjective. SUSTA would like to approve all companies interested. However, every company applying must qualify for 50% CostShare. All qualifying requirements are reviewed for every company applying. All companies will be notified in writing on the additional information that is needed to approve them for 50% CostShare or why they were not approved for the program.

The latter also applies for all claims requests submitted. SUSTA may reject any claim for reimbursements if, in the sole opinion of SUSTA, it does not comply with the agreement, MAP or FAS regulations, or there is an outstanding question regarding additional documentation needed to validate the claim.

Zero Tolerance for Fraud

In the climate in which we operate to administer the USDA Market Access Program (MAP), the risks associated with entities looking at ways to create fraud are many. For those looking to commit fraud, they are actively seeking opportunities to commit fraud and are also creating a means to conceal the fraudulent act.

Our Organization's goal is to ward off fraud by making sure we have internal controls in place to properly review all participants applying for USDA's MAP program. SUSTA wants to be good stewards of taxpayer funds distributed through USDA's MAP program and continue to enhance the reputation of our organization, those participating in our programs and the industry in which we operate.

SUSTA believes the strength of the MAP program is to open international markets for small to medium sized businesses. This means that participants are expected to conduct business in accordance with the laws and regulations of the country which an activity is carried out and in accordance with applicable U.S Federal, state and local laws, and regulations. One act of fraud hurts tax payers, hurts the reputation of our organization, hurts participants who are trying to grow their business and hurts the industry we work so hard to serve.

SUSTA wants to warn applicants that the organization does not tolerate fraud. Applicants applying for SUSTA's MAP programs will not engage in fraud, SUSTA has a zero tolerance for fraud. Fraud is defined as: the taking or obtaining by deception, of money or any other benefit from - when not entitled to the benefit or an attempt to do so; misrepresentation of financial position, information, or documentation to deceive or lead to financial loss.

Any suspicion of fraud will be reported to the USDA's Foreign Agricultural Services (FAS). There are serious penalties for making false claims for reimbursement of federal dollars. False claims can also include a breach of agreement between SUSTA and your company.

SUSTA follows the same guidelines to review all applicants for the MAP program. Our goal is to make certain that every eligible member company has an opportunity to access foreign markets to increase exports. It is incumbent upon our association to be vigilant in our admissions process for MAP funds and assist those companies that meet the eligible requirements to benefit from our programs. SUSTA takes our responsibility as stewards of taxpayer funds seriously. We do hope as participants who are also tax payers that you see merit in us protecting the program to help you continue to grow.

Fraud Corruption Statement

SUSTA staff and its members play a key role in combating fraud. This includes providing an organizational framework from within that eliminates fraud from flourishing, and promotes an anti-fraud culture across the organization. This should provide a sound defense against internal and external abuse of public funds. Anyone found conducting fraud or violating the Zero Tolerance for Fraud Policy will be reported immediately to proper officials.

Non-Discrimination Policy

SUSTA does not discriminate in any of its programs and activities against recipients on the basis of: age, disability, national origin or ancestry, race, color, religion, creed, gender, sexual orientation, political affiliation, military status, marital or familial status.

Code of Conduct

SUSTA's standard of professional conduct is a benchmark that all SUSTA staff and SUSTA's member states follow. SUSTA strives to operate with honesty, integrity and the highest possible standards of professionalism. By applying for SUSTA's MAP program as a participant you also have a responsibility to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that as a participant you understand what conduct is expected and necessary to participate in SUSTA's programs. When each person is aware that he or she can fully depend upon SUSTA staff, SUSTA's member states and other MAP participants to follow the rules of conduct, then our organization will be a better place to help promote and positively impact the growth of agriculture internationally.

SUSTA staff, Members, Contractors, Affiliated Organizations and MAP Participants will make every effort to act in a manner that upholds the following principles of this Code:

- Comply with all applicable state, federal, foreign international laws and regulations.
- Use of legal and ethical business practices that maintain the highest standards of business conduct.
- Adhere to SUSTA's Zero Tolerance for Fraud Policy and be cognizant of SUSTA's Fraud Corruption Statement.
- Recognize that SUSTA stands behind its Non-Discrimination Policy and expect all participants to abide by it.
- Refrain from any dishonest or deceptive business practices that go against SUSTA's Conflict of Interest Policy.
- Present your company and its products honestly in public representation including at international events and through advertisement.
- Avoid falsifying or misleading information on an application when applying for the MAP program, when registering for events or requesting reimbursement.
- Avoid participating indirectly or directly, in any scheme that results in false expectations or obligation. This includes paying bribes, kickbacks or other corrupt forms of payment for the purpose of obtaining or retaining business or favorable action.
- Cooperate reasonably with other related organizations and government affiliates working to help foster the food and agriculture industry.
- Protect confidential and sensitive information ensuring that all documentation and correspondence is handled with care.
- Respect the intellectual property rights of patents, copyrights, trademarks, trade secrets, or any other proprietary business information. Properly and immediately address any unintentional breach.
- Comply with contractual obligations with SUSTA and any other business entities in good faith.
- Acknowledge that lawful, reasonable competition for business amongst participants in all markets is customary.

Conflict of Interest Policy

Market Access Program (MAP) 50% CostShare participant represents and warrants that he/she is not prevented, whether by contract or otherwise, from marketing, promoting or otherwise representing or advancing any interest of the product brands promoted. Further, MAP 50% CostShare participant agrees, represents and warrants that, during the term of the agreement, it will not have a conflict of interest or otherwise be precluded from marketing, promoting or otherwise representing or advancing any interest of the brand products being promoted.

MAP 50% CostShare participant also agrees that any third party working on behalf of the program participant, must ensure that no employee or official of the 50% CostShare participant, or any third party working on behalf of the 50% CostShare participant is participating in the selection or award of a contract in which such employee, official, or third party or the employee's, officials, or third party's family or partners has a financial interest (e.g. doing business with yourself).

Companies may carry out activities alone or in cooperation with contractors, subcontractors, foreign agents or distributors (hereinafter called "Foreign Third Party"). Companies must disclose to SUSTA any ownership interest with foreign third parties the company is doing business with or disclose any employee of the company that has interest with any third party providing goods or services related to a claim that has been submitted for reimbursement. Companies are not allowed to be reimbursed for expenses that have been reimbursed by another entity. Expenses incurred by the Foreign Third Party must be separately identified in the claim submitted by the company. The company must then provide verifiable and reasonable proof of payment to the foreign third party.

Companies shall not contract with an entity to conduct activities if the owners of the Company or the officials of the Company, or the family or partners of the owners or officers of the Company have a financial interest in the entity. SUSTA cannot reimburse a company for expenses if the party to whom the expenses was paid is related to the Company by way of ownership share, officer, director, or employee of the company.
