

# Peru Outbound Trade Mission

Lima, Peru  
August 22-24, 2024

Peru is the third largest export market for U.S. agricultural products in South America. With a population of 32 million people, it is also the fourth most populated country in its region preceded by Argentina, Colombia, and Brazil. Peru is a member of several bilateral and multilateral trade agreements that have opened new markets for its exports and increased demand for imported goods. This openness to international trade and Peru's growing middle class have transformed domestic food market channels. Among Peru's trade agreements is the U.S. – Peru Trade Promotion Agreement (PTPA) which offers multiple opportunities for U.S.- origin food and agricultural product exports to Peru. The demand for U.S. consumer-oriented foods has steadily grown since the implementation of the PTPA in 2009.

Join SUSTA in this exciting opportunity to meet with Peruvian buyers to discuss your products and opportunities in the market! This outbound trade mission will bring SUSTA companies to the market for market tour, a market briefing, and facilitate one-on-one meetings between key Peruvian buyers and participating companies, allowing for more in-depth conversations and relationship building.
