

Foreign Market Briefings Seminar

Canada ■ Europe ■ India ■ China

Join SUSTA and the Maryland Department of Agriculture for in-depth presentations on U.S. food and agriculture exports to Canada, China, India and Europe. SUSTA's consultants from these four markets will be in Annapolis to discuss the opportunities, trends and challenges in their respective markets. Don't miss this opportunity to learn about four very different foreign markets without leaving the U.S.!

Register to:

- Learn about trade opportunities, market challenges and import requirements in these key markets
- Meet one-on-one with foreign market consultants for export and labeling advice
- Hear more about SUSTA's Market Access Programs and how to receive 50% reimbursement on your international marketing expenses

Hear from the following experts:

- Phaff Export Marketing | Europe
- i2i Consulting | India
- Argyle Public Relationships | Canada
- SMH International | China
- Southern U.S. Trade Association (SUSTA)
