Fancy Food Show 2021

New York City, New York
September 27-29, 2021

Summer Fancy Food Show is the largest specialty food show in North America. First organized in 1952, the Fancy Food Show attracts buyers not only from the US but from other parts of the world such as Canada, Europe and China into a one-of-a-kind tradeshow held in New York City. The Specialty Food Association’s State of the Specialty Food Industry Report notes that specialty food remains one of the fastest-growing segments of the food business. Increasing interest from consumers and retailers caused total sales to jump 9.8% between 2016 and 2018, reaching $148.7 billion last year, outpacing the growth of all food at retail.

Each year SUSTA sponsors a 19-booth pavilion, allowing new companies to showcase their products to international buyers from across the world! This show provides SUSTA region companies a cost-effective opportunity to introduce their products to a mix of national and foreign buyers without leaving the United States. The show is the perfect venue to establish meaningful business relationships, and it also allows exhibitors to participate in educational activities including our SUSTA webinar on the basics of exporting.
