

Seafood Expo North America 2027

Boston, Massachusetts
March 7-9, 2027

Seafood Expo North America is the largest seafood trade exposition in North America, bringing together thousands of seafood professionals from around the world, including seafood producers, processors, importers, exporters, distributors, wholesalers, retailers, foodservice operators, and buyers. The event provides an unparalleled platform for companies to showcase seafood products, value-added offerings, processing equipment, and related services while building relationships with key decision-makers across the supply chain. Through exhibits, educational conference sessions, and networking opportunities, the expo helps participants identify new products, expand distribution channels, strengthen existing partnerships, and stay informed on emerging market trends, consumer preferences, sustainability initiatives, and regulatory developments shaping the global seafood industry.
