Welcome to SUSTA’s 50% CostShare

Dear U.S. Exporter,

Thank you for your interest in the Southern United States Trade Association’s (SUSTA) 50% CostShare. We look forward to helping you promote your products in the global marketplace.

SUSTA is a non-profit trade association aimed at increasing the export of U.S. food and agriculture products. SUSTA works closely with each State Department of Agriculture in the south to enhance the economic well-being of the region.

Through the Market Access Program (MAP) 50% CostShare, SUSTA can reimburse up to 50% of eligible international marketing expenses aimed at increasing your exports.

The marketing assistance that we provide you through the 50% CostShare is made possible through funding from the United States Department of Agriculture’s (USDA) Foreign Agriculture Service (FAS). The goal of increasing food and agriculture exports is part of the National Export Initiative (NEI) to ensure that the U.S. exports more than we import, thus creating jobs and bolstering our economy.

The following manual is an extremely important document that will help you maximize your participation with SUSTA. Please read it carefully so that you understand what marketing activities we can reimburse and what is required to receive the reimbursements. Because of the nature and source of our funding, we must collect specific documents from you in order to reimburse your expenses.

Keep in mind that although this manual is thorough, it is a guide and is not inclusive of everything.

Our CostShare staff is on hand to assist you in the application and reimbursement process. Therefore, we strongly encourage you to contact staff with your questions.

Best of luck in your exporting efforts.

Bernadette Wiltz
Executive Director

Deneen Wiltz
CostShare Director
For over 40 years, the Southern U.S. Trade Association (SUSTA) has offered programs and services to assist exporters of value-added food and agricultural products. **SUSTA’s Market Access Programs are provided by the USDA’s Foreign Agriculture Service.** Our organization promotes U.S. food and agricultural products through two programs:

### 50% CostShare

Get reimbursed 50% of eligible expenses tied to international promotions. This manual explains the program from the application through the claims process.

**BENEFITS OF PARTICIPATION:**
- Promote your brand internationally at half the cost.
- Get reimbursed up to $300,000/year

### Global Events

SUSTA sponsors about 40 events per year at which companies can meet foreign buyers. Exhibit in the SUSTA pavilion at trade shows around the world or meet buyers at our trade missions. All events: [www.susta.org/events](http://www.susta.org/events)

**BENEFITS OF PARTICIPATION:**
- Exhibition fees often reduced
- Events managed start to finish so you focus on making sales
- Interpreters and chefs provided as needed
- Foreign industry experts “match make” you with pre-vetted buyers

These programs can be used separately or together. You can, for instance, exhibit in the SUSTA pavilion at a foreign trade show through Global Events, and through 50% CostShare receive 50% reimbursement for: travel for two employees to the event, promotional giveaway items to be handed out at the event, translated point of sale materials and the freight for shipping samples and marketing materials to the event.

If at any time you have a question about eligible activities, the claims process or any other aspect of the program, we want you to call us! Our dedicated team of professionals knows the program in depth and is available to help at any time at (504)568-5986 or susta@susta.org.

Section 1: Program Eligibility

Find out if your company and products are eligible for 50% reimbursement with SUSTA. Included in this section are the nuts and bolts of the program. Flip the page and find out these essential details.
Program Eligibility: Your Company

To qualify for 50% CostShare, your company needs to meet each of the following criteria:

1. **Is your company headquartered in the SUSTA region?**
   A company’s headquarters is defined as the physical location of the business’ main management/operations. The SUSTA region includes Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, Virginia and West Virginia.

   If your company is headquartered outside of the SUSTA region, you may apply through one of our sister organizations, known as State Regional Trade Groups (SRTG).

   Phone 312.334.9200, www.foodexport.org
   **Member States:** Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, Wisconsin

   **Northeast:** Food Export USA Northeast
   1617 JFK Blvd, Suite 420, Philadelphia, PA 19103
   **Member States:** Connecticut, Delaware, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont

   **West:** Western United States Agricultural Trade Association
   4601 NE 77th Ave, Suite 240, Vancouver, WA 98662
   Tel: (360) 693-3373, www.wusata.org
   **Member States:** Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, Wyoming

2. **Are you a “small” company?**
   Company must be considered “small” by the U.S. Small Business Administration (SBA) to participate in the program. SBA determines the size standards by a company’s primary industry using the North American Industry Classification System (NAICS). Size standards are expressed in either total number of employees (NAICS that fall without the “$”) or total average annual receipts (NAICS that fall with the “$”). Small business size standards define the maximum size that a business, together with all of its parent companies, subsidiaries and affiliates**, may be to be eligible to participate in Federal Government programs.

   *Annual Receipts – Receipts means “total income” (or in the case of a sole proprietorship, “gross income”) plus “cost of goods sold” as these terms are defined and reported on Internal Revenue Service tax return forms. Receipts are averaged over a concern’s latest three (3) completed fiscal years to determine its average annual receipts. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.
**Affiliates – Affiliation with another business concern is based on the power to control, whether exercised or not. Factors such as common ownership, common management, and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties. Affiliated business concerns need not be in the same line of business. The calculation of a concern’s size includes the employees or average annual receipts of all affiliates.

An agricultural farm producer cooperative is exempt from the size standards.
For more information on size standards, please visit SBA's website: www.sba.gov/sites/default/files/files/Size_Standards_Table.pdf

3. Is your company a U.S. business entity?
Company must be registered and active/in good standing/in compliance with the Secretary of State within the Southern region. The business entity needs to have a physical location within the United States. If company is registered with the Secretary of State in another state out of SUSTA's region, company needs to apply through the SRTG where it is registered.

SUSTA reserves the right to verify if a company has a physical business location within the Southern region. If we are unable to verify the business location, SUSTA may not be able to assist.

4. Is SUSTA the right Market Access Program (MAP) cooperator for your company?
Other MAP cooperators have a 50% reimbursement program to support specific agricultural commodities. When funding assistance is available for your products through another MAP cooperator, you must apply for their 50% reimbursement program first (see below for a list). If your company promotes multiple product lines and only a few products are covered by another MAP cooperator, you may be able to participate in SUSTA's 50% CostShare (example: chocolate and snack chips). Call us for more information if your company has any questions.

- U.S. Meat Export Federation (USMEF), https://www.usmef.org/
- Wine Institute, http://www.wineinstitute.org/
5. Do you have adequate resources and product supply for export market development?
Company must provide adequate management and financial resources for export market development. Companies must provide adequate product quantities necessary to ensure continuous supplies to the markets for which funding is requested.

6. Do you have sufficient gross sales and resources?
Company must have at least $100,000 in actual gross sales during the previous year and adequate management and financial resources for export market development.

If you answered “no” to any of the company eligibility questions, your company is not eligible for 50% CostShare. If you have answered “yes” to all questions so far, please continue to part two of program eligibility.

If you have any questions, please contact SUSTA directly.
Program Eligibility: Your Products

This section will help you determine if your company’s products are eligible. To qualify for 50% CostShare, you will need to answer yes to the following questions about your company’s product(s):

1. Are your ingredients from the United States?
   - Products must contain at least 50% U.S. grown ingredients by weight, excluding water and packaging. This means the products need to be farmed, fished and/or forested in the U.S.
   - Your products may be a value-added agricultural item, created from processing, repackingaging, or adding special features. Examples include consumer food products, fresh produce, snack foods, condiments, sauces, specialty food items, beverages, some wood products, hides and skins, pet foods, ornamental horticulture and more.
   - For seafood or wood product, or if you are uncertain your product qualifies, contact SUSTA.

To determine if your product(s) meet the requirement, follow the below steps. Place your product on a scale. **Deduct the weight of any added water and the packaging.** At least 50% of the remaining weight must be composed of U.S. agriculture content. Minerals and chemicals are not considered agricultural ingredients.

To calculate the U.S. content of each product, please follow the process and reference below:

**Step 1:** Identify each ingredient.

**Step 2:** Calculate the weight of each product ingredient as a percentage of total product weight.

**Step 3:** For each ingredient, determine the percentage sourced from within the United States. *(Please note this means U.S. grown, not processed or manufactured.)*

**Step 4:** Multiply the two percentages to determine the U.S. content level for each ingredient.

**Step 5:** Total these percentages to determine the U.S. content level for the total product. **This percentage must be at least 50% to be eligible.**

2. Do your products have an eligible U.S. Origin statement?

All product packaging and/or labels must have an eligible U.S. Origin Statement indicating that the products are made or grown in the United States.

From the USDA-FAS MAP regulations:
The U.S. origin identification must be clearly displayed in a way that is easily observed as identifying the origin of the product; and that such origin identification shall conform, to the extent possible, to the U.S. standard of 1/6 inch (.42 centimeters) in height based on the lower case letter “o.”

Eligible U.S. Origin Statement Examples

| Product of USA or Product of America | ✓ |
| Grown in the USA or Grown in America | ✓ |
| Made in the USA or Made in America | ✓ |
| Product of Louisiana, Grown in Maryland, Made in South Carolina* | ✓ |

Ineligible U.S. Origin Statement Examples

| Seals with state name or U.S. agency | ✗ |
| Company address | ✗ |
| Product that includes “U.S.,” “America,” or the state name as part of the brand (i.e. Texas Style Chili, Bob’s American Pizza, U.S. Apples) | ✗ |
| “Distributed by,” “Bottled by,” “Manufactured in,” “Produced in,” | ✗ |
| “Handcrafted by,” “Baked in” | ✗ |
| Product of NC, Grown in TN, Made in VA* | ✗ |
| Only an American flag (not accompanied by an eligible origin statement) | ✗ |

*Any state or territory of the United States of America must be spelled out in its entirety, or other U.S. regional designation if approved in advance by FAS. Contact CostShare Director if you have questions. State abbreviations are not accepted because a U.S. state abbreviation can often be mistaken as a foreign country (i.e. CA can be interpreted as Canada).
Program Eligibility: Your Products

3. Does your company own a brand name product?

Product packaging/labels must promote a brand name and/or private label name.
Your company either:

- Owns the brand

- or -

- Does not own the brand but has permission from the brand owner to request MAP 50% CostShare funds to promote the specified product(s) in the specified country market(s). A Certificate of Exclusivity form must be completed and submitted if the U.S. applicant does not own the brand name of the products to be promoted. The applicant company and the brand owner must sign and date the form, which is part of the application. It certifies that the brand owner gives the applicant permission to request MAP 50% CostShare funds to promote the specified product(s) in the specified country market(s). The Certificate of Exclusivity form is required for all products for which the applicant does not own the brand name. The wet ink signature form must be submitted.

- or -

- Packs or manufactures for private label name. The applicant company and the retailer/owner of the label must sign and date a Private Label Agreement, which is part of the application. It certifies that the applicant is the exclusive supplier of the product in the specific country market(s) for the duration of the program year. It also confirms that the private label item(s) promoted by the applicant are at all times manufactured with product(s) from the USA. The form with wet ink signature must be submitted.

4. Sexual enhancement product and products of a sexual nature will be found ineligible for 50% CostShare.

If you answered “no” to any of the product eligibility questions, your company is not eligible for 50% CostShare. If you have answered “yes” to all eligibility questions above, your company is ready to pre-qualify for 50% CostShare! Please continue reading the rest of this manual.

Maximum allocation amounts are determined by your marketing experience and length of time participating in 50% CostShare.

The minimum funding request per year is $2,500. For example:

- Companies must spend $5,000 in promotional activities to be reimbursed $2,500 (50%) by SUSTA.

### Participants with one+ years in 50% CostShare

- $2,500 minimum - $300,000 maximum
Graduation Rule

50% CostShare is designed to help companies launch and grow export markets. Program participants naturally will reach a point where their market presence has stabilized. 50% CostShare has a five-year graduation rule per country, which means the program will reimburse the same company for expenses incurred in any single country for five years. The five years do not have to be consecutive and you can conduct activities in multiple markets concurrently.

- Your company is considered a “graduate” from a given country after you have received reimbursement in that country market for a total of five years.

- The five years do not have to be consecutive.

- Some trade shows are exempt from the five-year graduation rule and could be eligible for reimbursement even after graduation. These international shows focus on food or agriculture, and they target buyers/distributors from more than one foreign country.

Some International trade shows are exempt from the five-year graduation rule. View the list of Exempt Trade Shows (Page 65).

- Your first year in each country starts when you receive reimbursement for an activity.

- If a company graduates from a country market, and then reincorporates or reorganizes under the same or different name, it is not eligible to reapply to 50% CostShare to obtain additional years in that country if it is substantially similar to the pre-existing entity.
50% CostShare helps your company develop markets across the globe with only a few exceptions. Participants may conduct activities for reimbursement in all countries, except:

**Federally prohibited countries**
- Cuba
- Iran
- Libya
- North Korea
- Sudan*

* South Sudan is not restricted. It is considered a separate nation from Sudan.

**U.S. territories and outlying areas**
- American Samoa
- Federated States of Micronesia
- Guam
- Midway Islands
- Puerto Rico
- U.S. Virgin Islands
Section 2: How to Apply & Receive Reimbursement

Learn about the first step of applying to the program, application essentials, how to get paid and more!
The 2017 50% CostShare application is available online starting August 1, 2016. Companies must apply annually and must apply in advance of any promotional activities for which you will seek reimbursement. SUSTA cannot reimburse companies for promotional activities conducted prior to the application approval date.

Step 1: Create or Re-Certify your MySUSTA Account

To access the application, you must first create a MySUSTA account. If you already have a MySUSTA account, you must re-certify (on or after August 1), that the information is up-to-date and/or make any necessary changes before gaining access to the 50% CostShare application. Next, SUSTA will review the information in your MySUSTA account and let you know if you meet basic eligibility requirements to complete the 50% CostShare application. This process is in place of the pre-qualification that SUSTA had in place years prior.

In addition to company information, this is what you will need to create your MySUSTA account:

- Primary North American Industrial Classification System (NAICS) Code and Description
  
  [www.sba.gov/sites/default/files/files/Size_Standards_Table.pdf](http://www.sba.gov/sites/default/files/files/Size_Standards_Table.pdf)

  The NAICS information identifies the applicant's industry. The U.S. Small Business Administration (SBA) determines size standards by the primary NAICS Code.

- Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) 9-digit number [www.dnb.com](http://www.dnb.com)

  D & B numbers and reports are required for all companies requesting government funding.

- Total Actual Sales (previous year)

- Product List

  Include all brand names/private label names and descriptions of products to be promoted.

Step 2: Complete 50% CostShare Application

If you meet basic eligibility requirements, you will receive an email giving you access to the 50% CostShare application. In the application, you will share the following information:

- **International Marketing Plans**

  Must be completed for each country in which you are requesting 50% CostShare reimbursements. (For example, the ANUGA trade show takes place in Germany; if you plan to request 50% reimbursement for exhibition fees and travel, you would create an international marketing plan for Germany.) You will select from a checklist of eligible expenses, and you will let SUSTA know how much money you plan on spending for eligible expenses in each country. These marketing plans should reflect the company’s definite plans rather than a guess at what foreign promotions a company may do that year.

- **Domestic Marketing Plan**

  Must be completed if you are requesting reimbursements for promotions tied to eligible events in the U.S., such as approved trade shows or trade seminars. Companies may apply for funds to exhibit at approved U.S. trade shows if it is the first time they are exhibiting at the show or if they have not exhibited at the show any time over the last three years using funds from any source other than the Market Access Program (MAP).

- **Product List**

  Include all brand names/private label names and descriptions of products to be promoted.
50% CostShare Application Checklist

Step 3: Once you submit your online application, please send:

- **Signed Application**
  Be sure to print and sign your finished application; SUSTA must have a wet ink signature on file.

- **Non-Refundable $250 Application Fee by Credit Card, Check, Money Order or Cashiers Check.** Fee is required to review application.

- **Most Recent Company Tax Return**
  U.S. federal tax return as submitted to the IRS.

**Physical Product Packaging and/or Labels**
Required for each brand name and/or private name label product you will promote as listed in the application. The name packaging/labels must have an eligible U.S. origin statement. Physical packaging/labels must be submitted every two years (no copies or renderings) for a returning applicant.

Each size and variety of a product is considered its own item. Packaging/labels will need to be submitted for each item you would like to promote through the program.

**Where applicable, also include:**

- **Certificate of Exclusivity**
  Must be submitted if an applicant does not own the brand name of the products to be promoted. The brand owner must sign the form giving the applicant permission to request 50% CostShare funds to promote the specified brand(s) in the specified country market(s).

- **Private Label Agreement**
  Must be submitted if an applicant packs or manufactures for private label name. The retailer/owner of the label must sign the form, which is part of the application. It certifies that the applicant is the exclusive supplier of the private label in the specific country market(s) for the duration of the program year. It also confirms that the private label item(s) promoted by the applicant are at all times manufactured using ingredients/products from the USA.

**After completing the online application, send hard copies of these required items to:**
SUSTA 50% CostShare
701 Poydras Street, Suite 3845
New Orleans, Louisiana 70139

= Signature Required

**Request for Information**
We request the same basic information from every applicant to verify each company’s eligibility to receive 50% CostShare funds. SUSTA reserves the right to request additional information or documentation. This verification is a key step in SUSTA’s Zero Tolerance for Fraud policy. All materials submitted to SUSTA are kept confidential.

**Questions?**
Call (504) 568-5986 today and ask to speak with SUSTA’s 50% CostShare Director.

All companies will be cross checked with the System for Award Management (SAM) online database to ensure applicants can receive federal funding. SUSTA reserves the right to independently verify the accuracy of all information provided when companies apply for 50% CostShare.
Application Approval

Once SUSTA receives your completed application and $250 application fee, we can begin the review process. Documentation is reviewed on a first come first served basis.

Important Notes:

- Remember to submit your application prior to conducting your promotional activities. Do not conduct your promotional activities and then later submit the application.
- Complete the application for country market(s) for where the promotional activity/activities will take place.

Your approval date is determined by the month in which your application is deemed complete (all required documentation is on file). Your approval date is important because expense claim requests cannot be submitted for expenses made prior to your approval date.

All promotional activities must occur within the program year (January 2017-December 2017).

Expenses paid before your approval date are not reimbursable, with the exception of the following:

- Trade Show Booth Deposits
- Airfare and Hotel Bookings

Trade show booth deposits and advance payments are reimbursable, provided the date of the trade show (rather than the date of the invoice or payment) falls within the approved program year. Expenses are not processed for review until after the promotional activity has taken place. The rule above applies to all initial requests, additional requests and amended requests.

Review the minimum and maximum allocation amounts for first time and returning 50% CostShare applicants (Pg. 15).
Application Approval

Allocations
SUSTA allocates funds based on a first come, first-served basis. See page 15 for minimum and maximum annual allocation amounts.

Allocations are determined based on a variety of factors:
• Amount of total funding available
• Prior program performance (for returning applicants)

SUSTA will email an allocation notice for your review.

Agreements
SUSTA will send by FedEx delivery:
• Two agreements that must be read, signed, and dated by a company executive within 30 days of receipt
• Invoice for 6% administrative fee due within 30 days of receipt. All approved applicants are charged a non-refundable administrative fee equal to 6% of the approved funding allocation. (Example: A company approved for $10,000 in expenses must first pay a $600 administrative fee).
• Made in the USA flags which must be used during promotional activities, such as in-store demonstrations, food service promotions, trade seminars and trade shows.

When both signed agreements and the 6% administrative fee are received by SUTSA, you are an active participant in the program.

Welcome to 50% CostShare!
Making Changes to Your Program Agreement

We understand that your company may need to make changes to your plans after signing the program agreements and paying the administrative fee. Changes to existing program agreements are accomplished through amendments.

Amendments can be made anytime during the program year. Log into your MySUSTA account to complete an amendment. These revisions must be reviewed and approved by the CostShare Director.

Making an amendment is easy and can be used to add:

- **Countries**
- **USDA-approved U.S. trade shows**
- **Brand name products and/or private label name products.**
  (If you do not own the brand and/or packing or manufacturing for private label name, the forms on page 20 are required)
- **Additional funds (6% non-refundable administrative fee required)**
- **Foreign third party contacts**

Amendments are not required if you are transferring funds between approved countries.

*If you have any questions, please do not hesitate to contact SUSTA directly.*
Getting Paid: The Claims Process

Once you’ve applied and are contracted in SUSTA’s 50% CostShare, the next step is conducting your international marketing activities and getting reimbursed for your efforts.

We’d like to walk you through how the claims process works after an eligible activity is complete with these seven easy steps.

1. Log into MySUSTA, select “50% CostShare”, select “Claim Status” and generate Claim Form

2. Complete the Claim Form and scan/email or mail, with all other required documentation, to SUSTA

3. SUSTA will enter data from your Claim Form into our online system

4. SUSTA asks for additional documentation or clarification if needed

5. Participant receives notification that expense claim is approved

6. SUSTA requests funds from FAS

7. Funds dispersed to your company

It is important to note your company has 90 days to submit a complete claim after an activity has ended.

Similar to most claim structures, a fair amount of paperwork is required and you will need to meet the 90-day deadline in order to receive your reimbursement.

The next page has important information about the claims process you will want to keep in mind throughout the program year.
Use this helpful timeline below to note 90-day starts for eligible activities.

The sooner you get your claim in, the more time you will have to submit any missing documentation.

The 90-day policy states that companies must submit complete claims for eligible activities no later than 90 days after the activity has ended. The submission date is determined by the date the claim packet is received in SUSTA’s office.

Take note, if you’re conducting activities in December, you will not have a full 90 days to send in a complete claim. For December’s activities, companies must submit complete claims by February 28 for consideration.

Claims not received by SUSTA within the 90-day window will be ineligible for reimbursement.

If a claim is received within that time period but is incomplete (i.e. missing documentation), we may, in our sole discretion, deny the claim in whole or in part.

Preparing for an activity? We’ll walk you through the claims process. Contact SUSTA’s CostShare Assistant Director to schedule a consultation (504)568-5986.
Getting Paid: The Claims Process

The company shall deliver a separate claim for reimbursement for each activity together with complete documentation to SUSTA within 90 days of completion of the activity or within 60 days of the end of the Program Year, whichever occurs first. Claims not received by SUSTA within that time period shall be denied. If a claim is received within that time period but it is deficient, then SUSTA shall notify the company of any deficiency. The company shall correct any deficiency within 30 days of the notice of deficiency. Any claims with deficiencies that have not been corrected within 30 day of the notice of deficiency shall be denied.

Please note, you are required to maintain your 50% CostShare files for 5 years following the end of the program year. Files are subject to compliance review by the USDA's-Foreign Agricultural Service (FAS).

Helpful tips for a complete claim:

- Keep copies of all reimbursement materials, including original copies of vendor invoices.
- Need photos for an activity? Take them on the first day of the event and email the files to your company. This will give you a second chance to take photos again if they are blurry.
- File materials in a folder to keep track of all-things related to your expense claim.
- Respond to SUSTA requests quickly.
- Read this manual in its entirety and collect the materials you will need for reimbursement.
- Contact us for questions! We're here to help.

SUSTA 50% CostShare
ATTN Penney Lawrence
701 Poydras Street, Suite 3845
New Orleans, Louisiana 70139
For reimbursement, each individual expense requires the submissions of the following:

- Invoice
- Proof of Payment
- Proof of Activity

**Important Note:** If other parties are involved, the entire paper trail is required tracing back to the original vendor of the services whether in the United States or in foreign countries.

SUSTA reserves the right to request additional documentation for all claim submissions at our discretion. SUSTA reserves the right to contact vendors, foreign third parties to verify transactions and payments. If we are unable to verify information or participants are unable to assist us in the verification, we are unable to process the expenses.

**1. Invoice:** All invoices must show details of expense; SUSTA must be able to determine specifically what is requested for reimbursement. Invoices must include:

- English translation if in a foreign language
- Exchange rate for U.S.D. if in a foreign currency
- Date of invoice
- Vendor of services information: contact information, address, phone number, and website
- Approved participant company information: contact information, address, and phone number
- Date(s) of promotional activity
- Specific services rendered
- Itemized charges for services

**2. Proof of Payment:** If payment is in a foreign currency, the exchange rate is required to determine U.S.D. The conversion rate is based on the date the participant paid, rather than the invoice date. If no exchange rate has been provided SUSTA will convert using www.oanda.com. Payment can be any of the following:

- **Bank draft** accompanied by bank statement showing funds were deducted from account
- **Cash receipt** only acceptable for payments under $2,000. Must be marked “paid” and show a zero balance
- **Check** – front copy of check accompanied by bank statement showing check cleared the account
- **Credit card statement** (signature slips are not accepted). Must see the credit card statement of card holder that shows the charges to vendor(s); card holder’s name and last digits of account number. The proof of payment to the credit card company is not required
- **Wire transfer confirmation** (the request alone is not sufficient): must show documentation came from the bank which shows the originator, beneficiary, date, amount, and bank of originator and beneficiary accompanied by bank statement showing funds were deducted from account
Getting Paid: How to Submit

- **Credit memo** (see example below as a reference) - If you are paying an overseas agent in product, the following must be provided:
  - **Invoice** needs to be provided for products and separate corresponding credit memo for cost of promotional activity or Invoice for products with the credit applied to that invoice for the cost of the promotional activity.
  - **Freight or airway bill** indicating products shipped
  - **Proof of payment** showing the freight was paid

![Example](image)

Contact 50% CostShare staff if you do not understand credit memos as form of payment.

**3. Proof of Activity:** All promotional materials must have the brand name and/or private label name and the eligible U.S. origin statement clearly imprinted. All activities need to show proof of the promotional activity.

- Brand names and/or private label names and country markets that are not approved will be ineligible for reimbursements
- Items that are only partially reimbursable will be pro-rated at SUSTA’s discretion in accordance with the regulations

If information is in a foreign language, the English translation is required.

Proof of activity materials are listed after each eligible activity description starting in Section 3.
Section 3: International Activities & Claims

Modifications to Packaging and Labels to Meet Foreign Country Requirements

Exporting includes making changes to your packaging and labels to meet a foreign country’s requirements. In order to receive reimbursement, your company will need to demonstrate:

1. The changes you are making are for existing 50% CostShare-approved packaging and labels with eligible U.S. origin statement.
2. The changes are necessary to meet the labeling requirements of a foreign country.
3. All expenses are outsourced.

Claims Documentation for Packaging/Label Changes

In your claim, please submit the following activity-related materials:

- **Modifications to Packaging/Labels**
  - Physical packaging or label before the changes were made
  - Physical updated packaging or label highlighting changes made or sticker that shows the required changes identified. If in a foreign language, English translation required
  - Foreign label regulations with sections identifying the required changes highlighted. If in a foreign language, English translation required
  - Printing charges indicating the quantity produced

Printing charges cannot be claimed without proof that revisions were made in conjunction with the printing of the packaging/label or sticker. The expense claim must include copies of the translation, formatting, or plate charge invoices showing the date changes were made.

Trade Shows: International

International trade shows allow your company to promote products to thousands of qualified buyers in just a few days. Your company can display and promote approved products. Basic expenses associated with retail, trade and consumer exhibits and shows are eligible for reimbursement.

All expenses will be prorated based on the number of approved and non-approved products being promoted at the trade show.

When exhibiting at a USDA-endorsed trade show, your company is required to exhibit within a USA Pavilion to receive reimbursement on eligible expenses. See page 66 for the list of USDA-endorsed international trade shows. If the show is not USDA endorsed and it has no USA pavilion, your company is free to exhibit anywhere on the show floor. There are many international trade shows eligible for the 50% CostShare. As long as 30% or more of the exhibitors sell food and/or agricultural products, the international show is eligible.

Interested in exhibiting outside of the USA Pavilion? You will need pre-approval by contacting SUSTA’s CostShare Director directly (at least two months prior to the show). We in turn need to get approval from the USDA on your behalf. We can only consider requests submitted directly to the CostShare Director. Contact us with any questions at (504)568-5986 or costshare@susta.org.

Travel | International

You’re putting in a lot of great effort to establish international markets, and it’s important to have a physical presence at trade activities and meet face-to-face with potential buyers and other key in-market contacts. The 50% CostShare can reimburse limited foreign travel expenses for two company representatives only if they are traveling to:

- Exhibit at an eligible international trade show
- Eligible travel days include the two days before the official start of a trade show, all the days of the show, with departure on the day after the show ends.
- Participate in a Pre-approved Outbound Trade Mission
- Eligible travel includes the dates of the trade mission plus two days before the trade mission begins and departure on the day after the trade mission.

Your 50% CostShare reimbursement will be based on 75% of the Meals and Incidental Expenses (M&IE) per diem rate for the first and the last eligible days of travel and 100% of the M&IE per diem rate for the days in-between.

Eligible & Ineligible Expenses: International

In order to receive international travel reimbursement, your company needs to take the following steps:

1. **Send Required Pre-Travel Notification**
   - Send the Travel Notification Form to the in-country FAS Agricultural Trade Office (ATO) at least 14 days prior to travel. Travel Notification must be verified. It can be any of the following:
     - Travel Notification Form and copy of the fax confirmation
     - Email sent to the ATO
   - If you do not notify the ATO prior to travels and we do not have documentation as proof of the notification, SUSTA will not be able to pay the expenses.

2. **SUSTA will only reimburse airline tickets up to the price of full-fare economy.**
   - Travelers must fly on a U.S. or EU member carrier when leaving and returning to the U.S.
     - Travel outside of the U.S. may be on a foreign carrier (i.e. connections)
     - Please make certain that the carrier’s country is part of the EU; not all European countries are members of the EU.

If flying outside eligible travel dates or not directly to/from eligible activities, you need to:

Submit a comparable quote from the same airline of the coach/economy class fare for a direct flight to the event within the **eligible dates of travel**. The quote must be for a flight on the **same airline** as the actual ticket used for travel and must be obtained **on the same day** that the ticket used for travel is purchased.

- Submit actual airline ticket used to fly.
- Submit boarding passes or frequent flyer statement which tie back to the actual passenger receipt/e-ticket that was used for the flight.

---

**Want to Fly Business or First Class?**

If your company would like to fly Business or First Class, travelers will need to:

1. Submit a comparable quote from the same airline of the coach/economy class fare for the same destination and eligible dates of travel. The quote must be obtained on the same day the airfare was booked. Reimbursement will be based on the lesser of the two.
2. Submit actual airline ticket used to fly.
3. Submit boarding passes or frequent flyer statement
4. Submit airfare proof of payment.
3. Make Lodging Arrangements

- SUSTA will reimburse for up to two days before the official start of an international trade show, all the days of the show, with departure on the day after the show ends. If you stay longer, you are responsible for the cost of any additional nights of lodging.

- You will be reimbursed for no more than 50% of the U.S. government Foreign Per Diem Rate (listed [https://aoprals.state.gov](https://aoprals.state.gov)) or 50% of the actual rate paid per night, whichever is less. Lodging can never be reimbursed for more than the per diem rate per night, regardless of the rate actually paid.

U.S. Department of State Website: If your destination city is not listed in the chart, please choose “Other” to determine the per diem rate.

Obtain a detailed copy of the hotel statement showing:

- The occupant’s name(s)
- Arrival/departure dates
- Room rate per night
- Total charges
- If the hotel was reserved and prepaid online or through a travel agent, you must obtain a statement from the hotel showing the occupant’s name(s) and arrival/departure dates.
- If the hotel statement is in a foreign language, provide the English translation.

*Trade Mission airfare and lodging reimbursement is contingent upon what SUSTA’s Global Events program covers.*
4. Meals & Incidentals (M&IE)
These expenses are reimbursed at no more than 50% of the U.S. government Foreign Per Diem Rate for meals, regardless of the actual costs. Itemized receipts are not required for meals. The M&IE per diem rate can be found at http://aoprals.state.gov. If the city in which you are staying overnight is not listed, please choose “Other” to determine the per diem rate.

Travelers receive 75% of the federal rate on the first and last day of eligible travel days (two days before and up to one day after the show) and 100% on remaining days.

5. Obtain Passport, Visa, and Recommended Inoculations (if needed for an eligible activity)
- A photocopy of the first page of the passport showing the name and date of issue;
- A copy of the regulation stating that a visa is required for the specific country market along with a photocopy of the page in the passport showing the visa;
- The vaccination record and computer print screens/screeshots from the U.S. State Department website and/or the Travelers’ Health Page of the Centers for Disease Control (CDC) website showing the advisory which recommends the inoculations

6. Trip report that includes list of contacts made at the show.
Wages for Temporary Labor

Most companies hire temporary workers such as demonstrators, interpreters, translators and hosts/hostesses to help with the implementation of individual promotional activities (such as trade shows, in-store promotions, food service promotions, and trade seminars).

Note: Fees must be expressed as rate per hour, and reimbursement may not exceed the maximum hourly rate (GS 15 Step 10, www.fedjobs.com/pay/pay.html) determined by the U.S. government.

For temporary labor, limited wages of independent contractors are eligible for a maximum of 8 hours per day.

Claims Documentation for Temporary Labor

In your claim, please submit the following activity-related materials:

- **Wages for Temporary Labor**  |  Invoice  |  Proof of Payment
  - Express wages as (rate per hour) x (hours worked) x (days worked)
  - Ex: $15 x 6 hours x 3 days = $270
  - Photos of each contractor and temporary laborer working for the participant company at eligible promotional event; including demonstrations, trade show, or international trade seminars

Section 4: Domestic Expenses and Claims

Did you know foreign buyers also travel to some U.S. trade shows? Well, you’re in luck! SUSTA is able to help offset costs for some shows where there is a large presence of these purchasers. Interested in hosting a U.S. trade seminar? Read on!
Domestic Expenses

Pre-Approved Domestic Trade Shows

Domestic trade shows allow your company to promote your products to thousands of qualified international buyers right here in the United States. Your company can seek reimbursement for domestic trade shows only if:

1. The show is listed on the all-inclusive Pre-approved Domestic trade show list on page 66.
2. Your company has not participated in the show within the last three years using funds from any source other than the Market Access Program (MAP).
3. Booth space is full cost and not already reduced.

If there is a USA Pavilion, your company must exhibit within that pavilion to receive reimbursement. If there is not a USA pavilion, your company is free to exhibit anywhere on the show floor.

Interested in exhibiting outside of the USA Pavilion?
You will need pre-approval by contacting SUSTA’s 50% CostShare Director directly (at least two months prior to the show). We in turn need to get approval from the USDA. We can only consider requests submitted directly to the 50% CostShare Director. Contact us with any questions.
### Eligible Domestic Trade Show Expenses

Expense Claim Organization and Submission

It is our goal to process your expense claims as quickly as possible. But we need your help to do that. Please submit your expense claims in an orderly fashion and with all required documentation. If you have any questions, please contact us before conducting the promotional activity so that you know what documents will be needed to process your claim.

Contracted companies will access reimbursement forms online through their MySUSTA portal. Once a contracted company logs in, click on “50% CostShare” and click “Claims Status” to generate a Claim Form. Once you download and fill out this form, you will then submit it, along with all required documentation, to:

SUSTA 50% CostShare  
ATTN Penney Lawrence  
701 Poydras Street, Suite 3845  
New Orleans, Louisiana 70139

**Non-Travel Expenses:**
Submit Claim Form and hard copies of supporting documentation

1st.) Vendor’s Invoice  
2nd.) Proof of Payment  
3rd.) Proof of Activity

**Travel Expenses:**
If submitting expenses for travel related for exhibiting at international trade shows and/or participating in pre-approved trade missions (outbound), submit Claim Form and supporting documentation:

1st.) Foreign Agricultural Service (FAS) Post Notification Form. Provide email or fax confirmation showing the ATO was notified prior to travels.  
2nd.) Trip Report and attached list of contacts made  
3rd.) Supporting documentation:

- Airline Itinerary/Invoice  
- Passenger receipt or E-ticket receipt  
- Boarding passes or frequent flier statement  
- Proof of payment for airfare  
- Itemized Hotel Bill  
- Proof of payment for hotel
Meals & Incidentals (M&IE):
Do not submit itemized receipts. M&IE is based on the per diem allowance per country.

Note: If more parties are involved in a promotional activity, the entire paper trail that traces back to the original vendor of the services is required. We need to be able to show the entire paper trail upon our compliance review.

Expense claim requests must first be reviewed to determine eligibility. You will be notified of the status upon SUSTA’s review.
Common Errors on Reimbursement Requests

- Brand names and/or private label names are not shown on promotional materials and/or promotional activities
- U.S. origin is not shown on promotional materials and/or promotional activities
- Expenses were for non-reimbursable promotional activities
- Expenses were for non-approved brands, products or countries
- Lack of sufficient documentation (entire paper trail) not present: invoice, proof of activity, and/or proof of payment
- If a third party is involved, the entire paper trail (paper trail back to the original vendor) is not present
- The promotional activity occurred before the application approval date or after the program year ended
- Documentation in a foreign language and the English translation was not provided
- Travel expenses
  - ATO was not notified prior to travels and/or notification is not on file to show proof
  - Airline quote was not provided for ineligible dates
  - Calculated incorrectly
- Expense claims were in disarray
- Expense Claims were not submitted in a timely manner

Frequently Asked Reimbursement Questions

Q: Can a foreign representative be reimbursed for expenses?
A: Foreign Third Parties (FTP) can be reimbursed, but not directly. The participant in 50% CostShare must first pay their foreign agent or representative before it can submit the eligible expenses to SUSTA for 50% cost reimbursement.

Q: How long does it take to get reimbursed for an eligible expense?
A: SUSTA receives hundreds of requests for reimbursements each year. Expense claims must be submitted within 90 days of the conclusion of an eligible activity. End-of-year claims are due February 28 of the following year.

Requests are processed in the order received. Generally, if we do not require any additional information or documentation from you, we strive to reimburse approved expenses in 3 weeks.

This takes into account the following:
- Workload of expenses in our office
- Time it takes SUSTA to request and receive your company’s funding from the USDA Foreign Agricultural Service (FAS)

If additional information is needed to process your request, you will be notified as soon as possible. In this instance, the time it takes us to reimburse you is solely dependent upon your ability to provide us with additional information/documentation that we require. The quicker you submit the additional information, the quicker we will be able to further process the expense. You must submit additional information within 30 days. If we require additional information to process your reimbursement request, it may take longer than 30 days to process your request.

2017 International Trade Shows with U.S. Pavilions

International trade shows are a popular 50% CostShare activity. You can be reimbursed for expenses at any international trade show when more than 30% of the exhibitors have food and agricultural products. However, by participating in USDA-endorsed shows that have a U.S. Pavilion*, you gain access to additional benefits such as:

- Exhibitor lounge
- On-site assistance
- ATO/Embassy staff
- In-market briefings

Below is an exclusive list of USDA-endorsed international trade shows with a U.S. Pavilion. It is not an all-inclusive list of trade shows with U.S. Pavilions.

*You must exhibit within the U.S. Pavilion to be eligible for any associated expenses.

A country market must still be listed in your marketing plan if you want to exhibit in a show that is listed here.
The domestic trade shows listed here have been approved by FAS. They are the only domestic shows eligible for 50% CostShare reimbursement.

Participation in certain international trade shows in the United States has proven to be a successful export market development activity. These venues allow U.S. companies to showcase their products and meet buyers from all over the world here in the U.S. In order to receive reimbursement for FAS Approved Domestic Trade Shows, a 50% CostShare participant must follow the regulations on pages 56-58 of this manual. Keep in mind that if, in the last three years, a 50% CostShare participant exhibited at their own expense or using funds from a source other than MAP (Market Access Programs), then they are not eligible to receive reimbursement for exhibiting at the FAS Approved Domestic Trade Shows. If there is a USA pavilion at the show, the company must exhibit there to receive reimbursement.

Agricultural Cooperative: A society or union of persons for the production and/or distribution of agricultural goods, which the profits are shared by all the contributing members.

Eligible Promotional Activity: An activity that involves the exclusive or predominant use of a single U.S. company name, or the logo or brand name of a single U.S. company, or the brand of a U.S. agricultural cooperative, or any activity undertaken by a MAP Participant in 50% CostShare.

Foreign Third Party (FTP): Distributors, agents, brokers, and representatives in foreign markets where 50% CostShare funds are being used. Typically, the FTPs are conducting 50% CostShare activities on behalf of the U.S. applicant.

Market Access Program (MAP): This is a federally funded program that provides financial assistance to U.S. exporters for the promotion of U.S. agricultural products in international markets. Participating Trade Associations and non-profit organizations representing producers and other sectors of agriculture are provided funds from a joint program under the USDA, Foreign Agricultural Service which is aimed at developing international markets.

Small Company: A company that meets the Small Business Administration’s (SBA) definition of a small company. This is according to their North American Industry Classification System (NAICS) codes as published at 13CFR, part 121 (based on the number of employees or average annual receipts, depending on the NAICS industry category).

State Regional Trade Groups (SRTGs): The four State Regional Groups (Food Export Association of the Midwest USA, Food Export USA Northeast, Southern United States Trade Association (SUSTA), Western United States Agricultural Trade Association (WUSATA) that assist companies with export promotions in the respective region.

USDA, Foreign Agricultural Service: The Foreign Agriculture Service of the United States Department of Agriculture (USDA) is the government agency that provides Market Access Program funding to SUSTA.

Terms and Conditions

Please read these terms and conditions carefully before you begin your MAP program year.

Payment
All payments for the 50% CostShare are non-refundable. The $250 application fee is due when an application is submitted for review. After approval of an application, the 6% administrative fee is due 30 days after receipt of the invoice and agreements.

Privacy
When applying for the Market Access Program (MAP), you will be asked to share personal information about your company and your participation in USDA MAP program. Proprietary information provided will be maintained as business confidential and will not be shared, unless you otherwise indicate.

You will be asked at the end of the MAP program year to provide an end of the year evaluation. Any information provided in the evaluation is strictly confidential. SUSTA is required to share certain performance measures with USDA Foreign Agriculture Services (FAS) (i.e. projected sales, actual sales, number of distributors met, etc.) when administering the MAP program. SUSTA only shares aggregate information when providing performance measures to FAS. Individual company information is never shared without a company’s written consent.

However, a company is contacted to share individual information through success stories to help SUSTA further promote and maintain MAP funding. SUSTA will always ask for your written consent to share any success stories.

Review
When participating in SUSTA's MAP 50% CostShare, SUSTA is authorized to contact any person listed as the president, officer, or company contact for the 50% CostShare application. We verify information listed in the application to assist with helping to approve the application. Questions are standard and usually always part of the review process or a requirement to participate in 50% CostShare. SUSTA's ability to assist a company with 50% CostShare is directly tied to the company wanting to share information needed to get approved.

When a company applies for MAP 50% CostShare, SUSTA is also authorized to contact any person or entity, including but not limited to foreign third parties, which the company have contracted with or has authorized to assist in some way with a claim submitted for reimbursement requests. SUSTA's involvement in contacting any foreign third parties or anyone authorized by the MAP 50% CostShare participant to assist with a claim is to facilitate verifying information submitted by the MAP 50% CostShare participant in the claim. SUSTA follows the MAP regulations and SUSTA policies to assist getting the expense paid.

Terms and Conditions continued on the next page . . .
SUSTA is also authorized to obtain information about your company, products, brands, subsidiary or affiliates, activities, services or goods provided when you apply for MAP 50% CostShare and/or submits claims. Participating companies must maintain copies of their records related to the 50% CostShare application and any expense claims submitted for a minimum of five (5) years. SUSTA's MAP 50% CostShare is a federally funded program. Therefore, SUSTA goes through an annual federal compliance review. Any claim is subject to be challenged during the annual federal compliance review and the participating company may be contacted by SUSTA, FAS, or the Commodity Credit Corporation (CCC) in regards to a claim submitted.

SUSTA may not approve every company that applies for 50% CostShare. Companies denied approval in SUSTA's 50% CostShare is not subjective. SUSTA would like to approve all companies interested. However, every company applying must qualify for 50% CostShare. All qualifying requirements are reviewed for every company applying. All companies will be notified in writing on the additional information that is needed to approve them for 50% CostShare or why they were not approved for the program.

The latter also applies for all claims requests submitted. SUSTA may reject any claim for reimbursements if, in the sole opinion of SUSTA, it does not comply with the agreement, MAP or FAS regulations, or there is an outstanding question regarding additional documentation needed to validate the claim.

In the climate in which we operate to administer the USDA Market Access Program (MAP), the risks associated with entities looking at ways to create fraud are many. For those looking to commit fraud, they are actively seeking opportunities to commit fraud and are also creating a means to conceal the fraudulent act.

Our Organization’s goal is to ward off fraud by making sure we have internal controls in place to properly review all participants applying for USDA’s MAP program. SUSTA wants to be good stewards of taxpayer funds distributed through USDA’s MAP program and continue to enhance the reputation of our organization, those participating in our programs and the industry in which we operate.

SUSTA believes the strength of the MAP program is to open international markets for small to medium sized businesses. This means that participants are expected to conduct business in accordance with the laws and regulations of the country which an activity is carried out and in accordance with applicable U.S Federal, state and local laws, and regulations. One act of fraud hurts tax payers, hurts the reputation of our organization, hurts participants who are trying to grow their business and hurts the industry we work so hard to serve.

SUSTA wants to warn applicants that the organization does not tolerate fraud. Applicants applying for SUSTA’s MAP programs will not engage in fraud, SUSTA has a zero tolerance for fraud. Fraud is defined as: the taking or obtaining by deception, of money or any other benefit from - when not entitled to the benefit or an attempt to do so; misrepresentation of financial position, information, or documentation to deceive or lead to financial loss.

Any suspicion of fraud will be reported to the USDA’s Foreign Agriculture Services (FAS). There are serious penalties for making false claims for reimbursement of federal dollars. False claims can also include a breach of agreement between SUSTA and your company.

SUSTA follows the same guidelines to review all applicants for the MAP program. Our goal is to make certain that every eligible member company has an opportunity to access foreign markets to increase exports. It is incumbent upon our association to be vigilant in our admissions process for MAP funds and assist those companies that meet the eligible requirements to benefit from our programs. SUSTA takes our responsibility as stewards of taxpayer funds seriously. We do hope as participants who are also tax payers that you see merit in us protecting the program to help you continue to grow.
Fraud Corruption Statement

SUSTA staff and its members play a key role in combating fraud. This includes providing an organizational framework from within that eliminates fraud from flourishing, and promotes an anti-fraud culture across the organization. This should provide a sound defence against internal and external abuse of public funds. Anyone found conducting fraud or violating the Zero Tolerance for Fraud Policy will be reported immediately to proper officials.
SUSTA does not discriminate in any of its programs and activities against recipients on the basis of: age, disability, national origin or ancestry, race, color, religion, creed, gender, sexual orientation, political affiliation, military status, marital or familial status.
SUSTA’s standard of professional conduct is a benchmark that all SUSTA staff and SUSTA’s member states follow. SUSTA strives to operate with honesty, integrity and the highest possible standards of professionalism. By applying for SUSTA’s MAP program as a participant you also have a responsibility to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that as a participant you understand what conduct is expected and necessary to participate in SUSTA’s programs. When each person is aware that he or she can fully depend upon SUSTA staff, SUSTA’s member states and other MAP participants to follow the rules of conduct, then our organization will be a better place to help promote and positively impact the growth of agriculture internationally.

SUSTA staff, Members, Contractors, Affiliated Organizations and MAP Participants will make every effort to act in a manner that upholds the following principles of this Code:

• Comply with all applicable state, federal, foreign international laws and regulations.
• Use of legal and ethical business practices that maintain the highest standards of business conduct.
• Adhere to SUSTA’s Zero Tolerance for Fraud Policy and be cognizant of SUSTA’s Fraud Corruption Statement.
• Recognize that SUSTA stands behind its Non-Discrimination Policy and expect all participants to abide by it.
• Refrain from any dishonest or deceptive business practices that go against SUSTA’s Conflict of Interest Policy.
• Present your company and its Brand products honestly in public representation including at international events and through advertisement.
• Avoid falsifying or misleading information on an application when applying for the MAP program, when registering for events or requesting reimbursement.
• Avoid participating indirectly or directly, in any scheme that results in false expectations or obligation. This includes paying bribes, kickbacks or other corrupt forms of payment for the purpose of obtaining or retaining business or favorable action.
• Cooperate reasonably with other related organizations and government affiliates working to help foster the food and agriculture industry.
• Protect confidential and sensitive information ensuring that all documentation and correspondence is handled with care.
• Respect the intellectual property rights of patents, copyrights, trademarks, trade secrets, or any other proprietary business information. Properly and immediately address any unintentional breach.
• Comply with contractual obligations with SUSTA and any other business entities in good faith.
• Acknowledge that lawful, reasonable competition for business amongst participants in all markets is customary.
Market Access Program (MAP) 50% CostShare participant represents and warrants that he is not prevented, whether by contract or otherwise, from marketing, promoting or otherwise representing or advancing any interest of the product brands promoted. Further, MAP 50% CostShare participant agrees, represents and warrants that, during the term of the agreement, it will not have a conflict of interest or otherwise be precluded from marketing, promoting or otherwise representing or advancing any interest of the brand products being promoted.

MAP 50% CostShare participant also agrees that any third party working on behalf of the program participant, must ensure that no employee or official of the brand program participant, or any third party working on behalf of the 50% CostShare participant is participating in the selection or award of a contract in which such employee, official, or third party or the employee’s, officials, or third party’s family or partners has a financial interest (e.g. doing business with yourself).

Companies may carry out activities alone or in cooperation with contractors, subcontractors, foreign agents or distributors (hereinafter called “Foreign Third Party”). Companies must disclose to SUSTA any ownership interest with foreign third parties the company is doing business with or disclose any employee of the company that has interest with any third party providing goods or services related to a claim that has been submitted for reimbursement. Companies are not allowed to be reimbursed for expenses that have been reimbursed by another entity. Expenses incurred by the Foreign Third Party must be separately identified in the claim submitted by the company. The company must then provide verifiable and reasonable proof of payment to the foreign third party.

Companies shall not contract with an entity to conduct activities if the owners of the Company or the officials of the Company, or the family or partners of the owners or officers of the Company have a financial interest in the entity. SUSTA cannot reimburse a company for expenses if the party to whom the expenses was paid is related to the Company by way of ownership share, officer, director, or employee of the company.
