

Exhibiting at these U.S. Trade Shows? Receive 50% Reimbursement through SUSTA's CostShare

There are trade shows that take place in the U.S. that attract a substantial amount of foreign buyers, allowing you to promote your products to an international audience without leaving the country. In recognition of these benefits, the USDA's Foreign Agriculture Service has determined that certain domestic shows are eligible for 50% reimbursement through CostShare.

Your company can seek 50% reimbursement of the cost to exhibit at domestic trade shows only if the show is on this list of USDA/FAS approved domestic trade shows:
